Matthew Explanatory Notes Commentary:

Explanatory notes and comments on the New Testament Edward Ash, 1849 **Incomplete Commentary on Matthew (Opus imperfectum)** Thomas C. Oden, 2010-05-19 Despite some gaps in coverage the Incomplete Commentary on Matthew has long been prized for its early and lengthy exposition of the Gospel of Matthew Thomas Aquinas noted that he would rather have a complete copy of the Incomplete Commentary on Matthew than to be mayor of Paris The commentary which is of sufficient length to require 2 volumes in translation is offered here for the first time in English translation and is designed for pastors teachers students and lay people interested in the early church's interpretation of Matthew's Gospel

A Classified Catalogue of Theological and Religious Books, Comprising a Large Collection of Standard Works, American and Foreign Smith, English & Co, 1871 The American Catalogue, 1881 American national trade bibliography
The four Gospels literally compared together, Matthew's Gospel being taken as the text [by J. Stark]. James Stark, 1878

The American Catalog, 1881 John Wesley's View and Use of Scripture Mark L. Weeter PhD, 2007-01-01 John Wesley by his own words considered himself a Man of One Book meaning of course the Scriptures Yet what does this seemingly declarative statement really mean What was Wesley's view on the inspiration authority and even the infallibility of Scripture This question is more than a historical curiosity when we recognize the current debate between evangelical groups over their views of the authority of Scripture Recognizing the debt all Wesleyan movements have to Wesley's teachings and doctrines this book will attempt to answer some critical questions about Wesley's view and use of the Bible How did Wesley develop his views How did he incorporate Scripture into his development of the Methodist movement What was the position of Scripture in what has become known as the Wesleyan Quadrilateral of reason experience tradition and Scripture What were his views on inspiration and infallibility and would his principles of interpretation hold up against modern critical scholarship Finally and perhaps most importantly what influence did Wesley's view and use of the Bible have upon the success of the Wesleyan Revival Are there lessons we can still learn from Wesley that could impact the world and church of the twenty first century This book will attempt to answer these and many other fascinating questions about John Wesley a Man of One Book

Edwards, 2020-08-26 God is said in Scripture to send what he can but doth not hinder from being sent Edward Bird 1726 God has been taking the blame for sickness and disease for centuries We have been told that He sends sickness as an aid to spiritual growth and piety or as a punishment for sin Vast amounts of Scripture have been cited to support this claim This idea has contributed to the lack of faith prevalent in the church today for healing and deliverance After all if God gave a person sickness then His willingness to heal is questionable Faith can only be present where the will of God is known However if sickness is seen as an enemy of God then faith in God s willingness to heal is more likely to rise Numerous apologetic books have been written in support of divine healing but most have not dealt completely with the many Biblical passages that appear to make God the direct cause of sickness This book is different in that it will look at these difficult Bible passages in light of the permissive idiom of the ancient Hebrew language in which God is often said to do the things that He merely allowed or permitted to happen Those passages in both the Old and New Testaments that make God appear to be a cold and cruel dispenser of sickness and disease will be seen in a new light You will see God s loving character vindicated your Bible will be a fresh source of blessing and your faith in God for health and healing will soar **John Henry Newman Sermons 1824-1843** John Henry Newman, 2012-09-20 Volume V completes this series of John Henry Newman s previously unpublished Anglican sermons written between 1824 1843 It contains 51 sermons and 62 sermon abstracts all but 2 of which belong to the 20 months when he was Curate of St Clement s Oxford from June 1824 until April 1826
