The Business of Event Planning Judy Allen, 2010-04-26
Practical tools and expert advice for professional event planners Before planning an event there is much that must be done behind the scenes to make the event successful Before any thought is even given to timing or location of the event before the menus are selected and the decor designed there are proposals to be written fees and contracts to be negotiated and safety issues to be considered This book takes you behind the scenes of event planning and explains every aspect of organizing and strategic planning This book will be of value to both the professional event planner and to clients who are dealing with planners Its comprehensive coverage includes how to prepare winning proposals and how to understand them if you are the client how to determine management fees negotiating contracts safety issues designing events in multicultural settings and new technology that makes operations more efficient such as online registration and response management database project management tools The book also includes practical tools such as sample letters of agreement sample layouts for client proposals forms and checklists Professional event planner Judy Allen offers first time or professional event planners all the top class advice they need to make their special events come off without a hitch

Event Management Greg Damster, Dimitri Tassiopoulos, 2005 Dealing with event management in developing countries specifically South Africa this textbook confronts the specific challenges of creating well run events in places where world class catering and party supplies are not as readily available as in developed nations Complete with advice about all aspects of managing an event the second edition incorporates additional graphs tables and photographs as well as new material about the legal aspects of event planning

Event Planning Ethics and Etiquette Judy Allen, 2010-06-01 The world of event planning can be alluring and dangerous at once exotic locales wining and dining and people traveling without their spouses In such situations the line between business and pleasure blurs and the nature of relationships gets cloudy With a thoughtless act or a less than tactful word long lasting business relationships can be ruined forever Beyond that budgets are on the chopping block and competition for business is tight In that environment people often cut not just financial corners but the ethical ones too There s a fine line between innocent perks and inappropriate gifts or kickbacks Event planners today must navigate a minefield of potentially sticky situations that can easily blow up in their face Without a professional code lines of acceptable behavior are easily crossed And what you do personally can hurt you professionally Event Planning Ethics and Etiquette provides event planners with the companion they need to stay out of trouble keep professional relationships healthy and profitable avoid the riskier temptations of the lifestyle and win business in a highly competitive market using ethical business practices Explains how to establish policies and codes of behavior in the office and onsite at events Offers guidelines on when it is acceptable to accept a gift what is acceptable and what is inappropriate Shows how to prepare yourself as well as your staff for what to expect and how to handle the unexpected with business finesse Covers business etiquette in event planning crisis

management situations Helps you to avoid putting yourself and your company at personal and professional risk Features real life examples and situations and advice on how to handle them with poise and professionalism Includes a list of Event Planning Do s and Don ts Event Planning Ethics and Etiquette will be of value to the professional event planner to event planning suppliers and clients working with industry professionals as well as to those in related fields such as public relations administrative professionals communications and anyone in the hospitality culinary and travel industry Event Planning and Management Ruth Dowson,David Bassett,2018-11-03 Event Planning and Management second edition is an ideal resource for those seeking a step by step formula to plan and deliver a successful event With the vital balance of professional experience behind them the authors teach the next generation of event planners with unrivalled knowledge ensuring an effective event process from start to finish This book delivers practical understanding of the theory and practice needed to activate each stage of planning from initial venue selection budgeting and programme content to managing stakeholders and sponsors promotion risk assessment safety and post event evaluation Fully revised the second edition of Event Planning and Management expands on managing events on the day and explores the PR and experiential marketing boom for live brand experiences Including updated real world case studies from around the globe it also features an invaluable toolkit of templates planning checklists and budget sheets Accompanied by a host of downloadable resources this book is the ideal end to end resource for both event planning modules and certifications plus busy marketing and PR professionals facing the new wave of live brand and customer experiences **Event Planning** Judy Allen,2009-04-16 This bestselling all in one guide to the event planning business is back and better than ever fully updated and revised to reflect the very latest trends and best practices in the industry This handy comprehensive guide includes forms checklists and tips for managing events as well as examples and case studies of both successful and unsuccessful events Judy Allen Toronto ON Canada is founder and President of Judy Allen Productions a full service event planning production company *Conferences and Conventions 3rd edition* Tony Rogers,2013-01-04 Conferences and Conventions A Global Industry 3rd edition provides a comprehensive introduction to the key elements of the global conference convention and meetings industry It examines the industry s origins structure economic social and environmental impacts education training and career opportunities and the industry s future development It also explores its links with the wider tourism industry and suggests that there should be a realignment of these links putting a greater focus on designing executing and measuring meeting and convention contents so that they have a purposeful impact on participants thus creating greater value for stakeholders It suggests that there should be greater emphasis on the role that meetings play in economic professional and educational development promoting the benefits they provide in knowledge exchange scientific research technology transfer networking and motivation and showing clearly what such business events actually accomplish This revised 3rd edition has been updated to reflect current trends and emerging topics and achieve a more international approach This edition has also been updated with the following features New content

on social media web based marketing the use of technology experiential marketing and events the role of trade shows in conventions issues of sustainability and moves to create a profession for event management Fully integrated and updated case studies to highlight current issues and demonstrate theory in practice Also contains new case studies on the growth markets of Asia Brazil and the Middle East A detailed meetings and events industry lexicon This book is written in an accessible and engaging style and structured logically with useful features throughout to aid students learning and understanding This book is an invaluable resource to students following Events Management Hospitality and Tourism courses *Successful Meetings* ,2008 Mastering the World of Marketing Eric Taylor,David Riklan,2011-05-04 The best of the best strategies from leading marketers There are millions of ways to speak to your market today this makes choosing the best approach all the more important With methods tricks techniques strategies and platforms suited for companies and budgets of all sizes Mastering the World of Marketing reveals how 50 of the top marketers working today generate leads create brand recognition and capture new customers Covering both offline and online channels this comprehensive guide examines traditional alternative and hybrid approaches giving you the full range of what works today so you can choose what suits your business needs best Includes networking word of mouth marketing customer referrals yellow page directories radio print email marketing direct mail internet marketing social media marketing public relations and advertising Includes chapters from contributors such as Chris Brogan Tony Hsieh Jack Trout David Meerman Scott Guy Kawasaki Peter Shankman Scott Stratten Mari Smith Gary Vaynerchuck and more A value packed resource that offers unparalleled access to today s brightest marketing stars Mastering the World of Marketing gives you all the marketing tools you need to reach your audience with compelling winning messages
