Russell, 2013-07-17 When NATO took charge of the International Security Assistance Force ISAF for Afghanistan in 2003 ISAF conceptualized its mission largely as a stabilization and reconstruction deployment However as the campaign has evolved and the insurgency has proved to more resistant and capable key operational imperatives have emerged including military support to the civilian development effort closer partnering with Afghan security forces and greater military restraint All participating militaries have adapted to varying extents to these campaign imperatives and pressures This book analyzes these initiatives and their outcomes by focusing on the experiences of three groups of militaries those of Britain Canada Denmark the Netherlands and the US which have faced the most intense operational and strategic pressures Germany who's troops have faced the greatest political and cultural constraints and the Afghan National Army ANA and the Taliban who have been forced to adapt to a very different sets of circumstances *"America Can Recover"* Thomas R. Meinders, 2011-02-28 America Can Recover from the past few years of reckless spending programs that the people have not endorsed Everyone needs to contact their representatives in the Congress and make it known what the American people want It is not too late if we take actions Remember if you don't voice your opinions for the changes you feel are correct then you become part of the problem instead of part of the solution We can accomplish our goal if we set our minds and efforts to the task We need to wake up the American voters while we still have some rights in this country Not only that we have the God given right to question the actions of the politicians that are making decisions in Washington We would be fools if we allow ourselves to blindly follow the politicians We were given brains and were meant to use them to think about the issues that affect our everyday lives in this country The uninformed uneducated and easily manipulated that are among us follow the line of thinking that has been presented to them by the leaders in Washington It is past time for the citizens of the United States to start realizing what has been happening and make some changes Fortunately it is still not too late **The Smell of the Soil** Dale Kueter, 2012-03-09 Stories bring people to life even the dead They paint an indelible history It's commendable to have an orderly and complete genealogy It is the official family record but it's only the bare bones Stories put flesh on these people The Smell of the Soil is both a montage of my stories including a revealing account of why I danced naked in front of my mother and an earnest plea that you write your family stories My sincere hope is that my
