God Shaped Hole A Novel:

God Shaped Hole Tiffanie DeBartolo, 2002-05-01 When I was twelve a fortune teller told me that my one true love would die young and leave me all alone Everyone said she was a fraud that she was just making it up I d really like to know why the hell a person would make up a thing like that Written with the snap glitter and wit of *The Girl s Guide to Hunting and Fishing* *God Shaped Hole* is a memorable poignant love story that will leave you weeping with laughter It is told in the wry vulnerable voice of Beatrice Trixie Jordan who replies to a personal ad If your intentions are pure I am seeking a friend for the end of the world In doing so she meets Jacob Grace a charming effervescent thirty something writer a free spirit who is a passionate seeker of life He possesses his own turn of phrase and ways of thinking and feeling that dissonantly harmonize with Trixie s off center vision as they roller coaster through the joys and furies of their wrenching romance Along the way they try to come to terms with the hurt brought about by their distant fathers who in different ways forsook them This story will prove so touching you will rush to share it with a friend or loved one or even a stranger

God-Shaped Hole Tiffanie DeBartolo, 2017-05-16 *God Shaped Hole* will change you as a reader writer and human It is rare books like this one that remind me why I fell in love with the written word Colleen Hoover When I was twelve a fortune teller told me that my one true love would die young and leave me all alone It s a dark prediction but Beatrice Jordan never really believed in true love anyway So no harm done She s accepted her lot in life living in Los Angeles as an artist not letting herself get too attached to anyone It s not perfect but nothing is Until fate intervenes It s a simple personal ad I am seeking a friend for the end of the world Eleven little words that change Beatrice s life irrevocably Because they lead her to Jacob Grace an unpredictable writer looking for something he can t name Both of their worlds shift that day and what follows is a love story unlike any other brimming with creativity and passion as two lost souls find themselves in each other From hole in the wall record stores to late night phone calls together Beatrice and Jacob transcend the loneliness of their lives But dark realities and secrets soon rise to the surface as does Beatrice s fear of an inescapable fate Despite it all this is a story of real love the kind that breaks you and remakes you the kind that changes you forever The kind of love worth having even if it s short lived even if you know you might lose it *God Shaped Hole* is a brand new kind of love story introducing dreamers to a quintessentially raw romance and inspires everyone to live and love as vividly as possible the perfect book club or beach read for fans of *The Girl He Used to Know* by Tracey Garvis Graves *In Five Years* by Rebecca Serle and *More Than Words* by Jill Santopolo Praise for *God Shaped Hole* This generation s Love Story Kirkus If Holden Caulfield were a twenty seven year old woman living in LA this is the book he d write or read It s very fast and very funny and at its core it s that rarest of things a truly convincing love story Dave Eggers With wit and humor the author brings these characters and their quirky artsy friends alive Bottom Line You ll dig it People

[Fiction Beyond Secularism](#) Justin Neuman, 2014-07-31 Modernist thinkers once presumed a progressive secularity with the novel replacing religious texts as society s moral epics Yet religion beginning with the Iranian

revolution of 1979 through the collapse of communism and culminating in the singular rupture of September 11 2001 has not retreated quietly out of sight In *Fiction Beyond Secularism* Justin Neuman argues that contemporary novelists who are most commonly identified as antireligious among them Orhan Pamuk Salman Rushdie Ian McEwan Margaret Atwood Nadine Gordimer Haruki Murakami and J M Coetzee have defied assumptions and have instead written some of the most trenchant critiques of secular ideologies as well as the most exciting and rigorous inquiries into the legacies of the religious imagination As a result many readers or nonreaders on either side of the religious divide neglect the insights of works like *The Satanic Verses* *Disgrace* and *Snow* *Fiction Beyond Secularism* serves as a timely corrective

God-Sized Hole

Benjamin M. Carter, 2021-07-21 If you are reading this thank you for picking it up This book is my attempt to share what my experience has been coming to know Jesus Christ and the abundant happiness and life that surround that The book intends to use real life examples from my own sinful living and put them in comparison to some useful biblical truths that share the same theme a man with a God sized hole The more I put into it the bigger it got and ultimately the consequences became dire at best The life that I lived trying daily to seek satisfaction through alcohol drugs sex money perceived power or popularity led down a road full of consequences losses heartache and nothing to show for it but loneliness fear and a desperation to survive thank God Once the bottom was hit God had no place for me to go but up and I don't mean heaven He helped me to live a life that is far more abundant and purposeful than I ever could have dreamed before I was completely shortsighted often wanting so much more but simply not able to attain or keep the feeling I wanted living in my own strength Ultimately over the years as you will see in this book the void grew darker and deeper It's a quick read intended to keep pace and interesting You will not find this book to be overly theological but I have attempted to pack it with enough truth to be useful for nonbelievers and believers alike It can be a great reminder or a large blinking warning sign and my only hope is that you find it to have been useful in understanding the void that we all have that God intends for Himself to fill No matter where you stand on that I hope you enjoy the ride It was a bit bumpy for me Happy reading and blessings

Cosmopolitanism,

Religion and the Public Sphere Maria Rovisco, Sebastian Kim, 2014-02-05 Although emerging scholarship in the social sciences suggests that religion can be a potential catalyst of cosmopolitanism and global citizenship few attempts have been made to bring to the fore new theoretical positions and empirical analyses of how cosmopolitanism as a philosophical notion a practice and identity outlook can also shape and inform concrete religious affiliations Key questions concerning the significance of cosmopolitan ideas and practices in relation to particular religious experiences and discourses remain to be explored both theoretically and empirically This book takes as its starting point the emergence of cosmopolitanism as a major interdisciplinary field as a springboard for generating a productive dialogue among scholars working within a variety of intellectual disciplines and methodological traditions The chapter contributions offer a serious attempt to critically engage both the limitations and possibilities of cosmopolitanism as an analytical and critical tool to understand a changing religious
