Godfather Piano Sheets:

The Godfather (Love Theme) Sheet Music, 1994-02-01 Piano Solo Sheets Piano solo sheet music for the memorable theme by Nino Rota to Francis Ford Coppola's legendary crime classic **Nino Rota's The Godfather Trilogy** Franco Sciannameo, 2010-10-11 This volume reintroduces critics, film musicologists, cinemagoers and fans of Francis Ford Coppola's cinema and Nino Rota's music to the events that led to the realization of the three films that make up The Godfather Trilogy, commenting on their significance both musically **Piano Stylings of the Great Standards** Edward Shanaphy, 2004-05 Piano Stylings of the Great Standards is a series of books created for the pianist who longs to play the best loved and most important songs of the popular genre in very special and elegant musical settings. The arrangements are represented in varying styles written and influenced by the many great pianists who over the years have helped to shape popular piano performance. The series is designed to supply a broad scope of popular piano repertoire for solo performance both for the working pianist and the amateur. As with all books in this series it includes a unique lay flat binding to help keep the music open on the music stand. Titles: Dancing on the Ceiling, Days of Wine and Roses, Honeysuckle Rose, I'll Get By, Love is Here to Stay, The More I See You, S Wonderful, Skylark, Smoke Gets in Your Eyes, While We're Young **John Cage's Concert for Piano and Orchestra** Martin Iddon, Philip Thomas, 2020-05-01 John Cage's Concert for Piano and Orchestra is one of the seminal works of the second half of the twentieth century and the centerpiece of the middle period of Cage's output. It is a culmination of Cage's work up to that point, incorporating notation techniques he had spent the past decade developing, techniques which remain radical to this day. But despite Cage's vitality to the musical development of the twentieth century and the Concert's centrality to his career, the work is still rarely performed and even more rarely examined in detail. In this volume, Martin Iddon and Philip Thomas provide a rich and critical examination of this enormously significant piece, tracing its many contexts and influences, particularly Schoenberg, jazz, and Cage's own compositional practice through a wide and previously untapped range of archival sources. Iddon and Thomas explain the Concert through a reading of its many histories, especially in performance, from the legendary performer's disobedience and audience disorder of its 1958 New York premiere to a no less disastrous European premiere later the same year. They also highlight the importance of the piano soloist who premiered the piece, David Tudor, and its use alongside choreographer Merce Cunningham's *Antic Meet*. A careful examination of an apparently bewildering piece, the book explores the critical response to the Concert's performances, re-interrogates the mythology surrounding it, and finally turns to the music itself in all its component parts to see what it truly asks of performers and listeners *Ghost Notes* Beth Henderson, 2022-05-04 Jace Hastings, rising music star, is presumed dead in a vehicle collision, courtesy of a stalker with deadly designs. Ten years later, P.I. Gaelen Wyndom can't believe someone wants her to find him. Pelham Flannery rejoined the world from ICU, fully aware someone had tried to kill him. To live, he went under the radar, distanced himself from music, and disguised everything that would give away his identity as Jace. After a

decade is it safe to come out of hiding Gaelen delighted to be trained as a professional investigator by her new husband continued in her new career after he was killed Assigned to locate Jace Hastings she isn't told who wants to find him but she puzzles it out If she's right it's the man who tried to kill him before Which means she needs to find Jace Hastings and save him
