Gods Behaving Badly:

Gods Behaving Badly Marie Phillips, 2007-12-10 In this witty and entertaining twist on Greek mythology James Urquhart the once all powerful gods find themselves scraping by in a run down London townhouse as they learn how to be human and try not to destroy the world in the process Being a Greek god is not all it once was Yes the twelve gods of Olympus are alive and well in the twenty first century but they are crammed together in a London townhouse and none too happy about it And they ve had to get day jobs Artemis as a dog walker Apollo as a TV psychic Aphrodite as a phone sex operator Dionysus as a DJ Even more disturbingly their powers are waning and even turning mortals into trees a favorite pastime of Apollo s is sapping their vital reserves of strength Soon what begins as a minor squabble between Aphrodite and Apollo escalates into an epic battle of wills Two perplexed humans Alice and Neil who are caught in the crossfire must fear not only for their own lives but for the survival of humankind Nothing less than a true act of heroism is needed but can these two decidedly ordinary people replicate the feats of the mythical heroes and save the world

Gods Behaving Badly Marie Phillips, 2014-05-21 The 12 Greek gods of Olympus are alive and well in the 21st century but they are crammed together in a London townhouse and none too happy Two perplexed humans are caught in the crossfire and nothing less than a true act of heroism is needed from these ordinary people to save the world

Gods Behaving Badly Marie Phillips, 2008-10-28 From Marie Phillips hailed by the Guardian Unlimited website as a hot author destined to break through in 2007 comes a highly entertaining novel set in North London where the Greek gods have been living in obscurity since the seventeenth century Being immortal isn t all it s cracked up to be Life s hard for a Greek god in the twenty first century nobody believes in you any more even your own family doesn t respect you and you re stuck in a dilapidated hovel in North London with too many siblings and not enough hot water But for Artemis goddess of hunting professional dog walker Aphrodite goddess of beauty telephone sex operator and Apollo god of the sun TV psychic there s no way out until a meek cleaner and her would be boyfriend come into their lives and turn the world upside down *Gods Behaving Badly* is that rare thing a charming funny utterly original novel that satisfies the head and the heart

Gods Behaving Badly Pete Ward, 2011 *Gods Behaving Badly* examines the blurred boundary between popular culture and religion one that has given way to an often confounding fusion of the sacred and the profane Flipping through pages of tabloid media and looking underneath the veil of Hollywood s glamour Pete Ward exposes how in its consumer life Western society elevates celebrity to the theological and in so doing creates a new para religion Inevitably whether despised or extolled individual celebrities evoke public moral judgment creating fertile ground for theological innovation

Gods Behaving Badly John McKie, 2023-11-02 Over the millennia there have been hundreds of mythological gods belonging to many different civilisations Only a few of them are completely virtuous and most of them indulge in some form of bad behaviour some more than others They can murder cheat trick and otherwise take revenge on both humans and deities alike Some are condemned while others escape with impunity

Christianity and Roman Society Gillian Clark, 2004-12-13 Early Christianity in the context of Roman society raises important questions for historians sociologists of religion and theologians alike This work explores the differing perspectives arising from a changing social and academic culture Key issues concerning early Christianity are addressed such as how early Christian accounts of pagans Jews and heretics can be challenged and the degree to which Christian groups offered support to their members and to those in need The work examines how non Christians reacted to the spectacle of martyrdom and to Christian reverence for relics Questions are also raised about why some Christians encouraged others to abandon wealth status and gender roles for extreme ascetic lifestyles and about whether Christian preachers trained in classical culture offered moral education to all or only to the social elite The interdisciplinary and thematic approach offers the student of early Christianity a comprehensive treatment of its role and influence in Roman society **Sharing Friendship**

John B. Thomson, 2016-03-03 *Sharing Friendship* represents a post liberal approach to ecclesiology and theology generated out of the history practices and traditions of the Anglican Church Drawing on the theological ethics of Stanley Hauerwas this book explores the way friendship for the stranger emerges from contextually grounded reflection and conversations with contemporary Anglican theologians within the English tradition including John Milbank Oliver O Donovan Rowan Williams Daniel Hardy and Anthony Thiselton Avoiding abstract definitions of character mission or friendship John Thomson explores how the history of the English Church reflects a theology of friendship and how discipleship in the New Testament the performance of worship and the shape of Anglican ecclesiology are congruent with such a theology The book concludes by rooting the theme of sharing friendship within the self emptying kenotic performance of Jesus mission and looks at challenges to the character of contemporary Anglican ecclesiology represented by secularization and globalization as well as by arguments over appropriate new initiatives such as Fresh Expressions **Luka and the Fire of Life** Salman

Rushdie, 2011-09-20 You've reached the age at which people in this family cross the border into the magical world It's your turn for an adventure yes it's finally here So says Haroun to his younger brother twelve year old Luka in Salman Rushdie's thrilling delightful lyrically crafted fable for the young and young at heart The adventure begins one beautiful starry night in the land of Alifbay where a terrible thing happens Luka's father Rashid the legendary storyteller of Kahani falls suddenly and inexplicably into a sleep so deep that nothing and no one can rouse him To save him from slipping away entirely Luka must embark on a journey through the world of magic with his loyal companions Bear the dog and Dog the bear as they encounter a slew of fantastical creatures strange allies and challenging obstacles along the way all in the hopes of stealing the Fire of Life a seemingly impossible and exceedingly treacherous task **Ecopiety** Sarah McFarland Taylor, 2019-11-12 Tackles a human problem we all share the fate of the earth and our role in its future Confident that your personal good deeds of environmental virtue will save the earth The stories we encounter about the environment in popular culture too often promote an imagined moral economy assuring us that tiny acts of voluntary personal piety such as recycling a coffee cup or

purchasing green consumer items can offset our destructive habits No need to make any fundamental structural changes The trick is simply for the consumer to buy the right things and shop our way to a greener future It s time for a reality check Ecopiety offers an absorbing examination of the intersections of environmental sensibilities contemporary expressions of piety and devotion and American popular culture Ranging from portrayals of environmental sin and virtue such as the eco pious depiction of Christian Grey in Fifty Shades of Grey to the green capitalism found in the world of mobile device carbon sin tracking software applications to the socially conscious vegetarian vampires in True Blood the volume illuminates the work pop culture performs as both a mirror and an engine for the greening of American spiritual and ethical commitments Taylor makes the case that it is not through a framework of grim duty or obligation but through one of play and delight that we may move environmental ideals into substantive action Celebrity Worship Pete Ward,2019-11-21 Celebrity Worship provides an introduction to the fascinating study of celebrity culture and religion The book argues for celebrity as a foundational component for any consideration of the relationship between religion media and culture Celebrity worship is seen as a vibrant and interactive discourse of the sacred self in contemporary society Topics discussed include Celebrity culture Celebrity worship and project of the self as the new sacred Social media and the democratisation of celebrity Reactions to celebrity death Celebrities as theologians of the self Christian celebrity Using contemporary case studies such as lifestyle television the religious vision of Oprah Winfrey and the death of David Bowie this book is a gripping read for those with an interest in celebrity culture cultural studies media studies religion in the media and the role of religion in society
