A Beginners Guide to Using PlayStation 4 (PS4) Katie Morris, 2014-11-10 Congratulations on your purchase of what Sony Computer Entertainment touts as the world's most powerful gaming console the PlayStation 4 In its first year alone the PlayStation 4 has already sold nearly 15 million units internationally and has been heralded by critics and consumers alike for its powerful hardware and new features In 2014 it won gaming mega website IGN's People's Choice Award for best console in competition with the xBox One and Wii U Accordingly the PlayStation 4 dominated gaming console sales throughout 2014 making it one of the best and fastest selling gaming consoles ever designed In addition to its beefier hardware Sony has added a variety of new and innovative features including the Dualshock 4 controller the PlayStation Camera and the PlayStation Move controller Additionally with the new system players can connect their smart phones tablets PS Vita or PS TV to act as second screen interfaces to interact with your PS4 The new PlayStation 4 user interface will be familiar to those already used to the PlayStation 3 interface but the look and feel of the PS4 has been enhanced with dynamic menus that can be changed based on user preferences Third party apps such as Netflix and Hulu can now be displayed directly on the main screen for faster access Additionally the system now can be controlled using voice commands from a microphone headset or from the built in microphone on the PlayStation Camera With the release of the PlayStation 4 Sony has begun to emphasize social gaming which goes far beyond mere multi player gaming with the ability to share directly to social media sites like YouTube and Facebook with just a click of a button Ever wanted to share a video of yourself beating that final boss with your Facebook friends With the PS 4 this is now possible with just a couple of button presses using the new Share button on the Dualshock 4 controller In addition to faster and easier access to internet services like Netflix and Amazon Instant Video the PlayStation 4's built in web browser is based on the same engine used by Google Chrome and the new Safari web browser making it the most compatible browser available on any console Whereas in the past and with other

consoles web browsing could be a bit of a headache when it comes to things like accessing YouTube videos the PS4's web browser is as easy and intuitive as the web browser on your computer and it's automatically compatible with the web's most advanced websites This guide will introduce you to how to use the most advanced features of the PS4 Now might be a good time to warn your significant other and boss that they might not see you for a while as you get familiar with your new best friend the Sony PlayStation 4 Please note this book is neither written or endorsed by Sony and should be considered unofficial

Cappella,Kathleen Hall Jamieson,1997-05-01 Why do some citizens vote while others do not Why does less than half of the American voting public routinely show up at the polls Why is it that the vast majority of political issues affecting our day to day lives fail to generate either public interest or understanding These questions have troubled political scientists for decades Here Kathleen Hall Jamieson and Joseph N Cappella provide the first conclusive evidence to date that it is indeed the manner in which the print and broadcast media cover political events and issues that fuels voter non participation This book illustrates precisely how the media s heavy focus on the game of politics rather than on its substance starts a spiral of cynicism that directly causes an erosion of citizen interest and ultimately citizen participation Having observed voters who watched and read different sets of reports some saturated in strategy talk others focused on the real issues the authors show decisive links between the way in which the media covers campaigns and voters levels of cynicism and participation By closely monitoring media coverage among sample audiences for both the recent mayoral race in Philadelphia and the national health care reform debate the authors confront issues concerning the effects of issue based and competitive based political coverage Finally they address the question repeatedly asked by news editors Will the public read or watch an alternative media coverage that has more substance The answer their findings so clearly reveal is yes Spiral of Cynicism is a pioneering work that will urge the media to take a close look at how it covers political events and issues as well as its degree of culpability in current voter dissatisfaction cynicism and non participation For in these pages a possible cure to such ills is just what Jamieson and Cappella have to offer Moreover their work is likely to redefine the terms of the very debate on how politics should be covered in the future Digital Radio DAB+ Marian Oziewicz,2021-07-14 This book describes the basic functions of the European Digital Radio DAB Digital Audio Broadcasting plus with its direct possible applications in a simple way The book refers to fundamentals of DABs 80 norms and specifications Presented subjects are indicating problems of DAB signal propagation and possible multimedia applications The book provides about 130 figures for explaining new concepts in an easy to approach manner Applications include but are not limited to audio compression MPEG OFDM SFN phasor
