How To Memorize Chapters Quickly:

Extremely Busy People'S Guide to Read Faster! Memorize Better! Think Clearer! Daniel Theyagu,Sandra Daniel,2014-06-24 Develop your muscle memory to read faster and comprehend better with the PQRIM method Boost your memory to remember anything and everything whenever and wherever you want to Supercharge your mind to think creatively and critically and synthesize what you have read effectively Read Faster Memorize Better Think Clearer is an accessible practical guide to the three most essential skills to achieve greater productivity and profitability in your work study and personal life Whether you are a CEO of a large corporation a manager a supervisor a student or a person in between careers this book will serve you well by equipping you with the necessary corporate survival skills The world is changing so rapidly that if you are not quick enough to learn unlearn and relearn at the blink of an eye you will be redundant and a derelict Whether you want to be a better leader a more resourceful employee and a strategic learner in school or university you need to train yourself on how to get to the key information that you require fast and have the ability to synergize and synthesize them productively This book will show you how Read it once and apply the techniques shared Read it again and share the techniques with others Read it again and again until you achieve a sense of unconscious competence that you can do it in any circumstances and situation That is your returns on investment for taking time to read this book Effective outcomes Develop the necessary mental skills that allow you to read faster and actively Master the PQRIM technique to help you comprehend even the toughest textbook journals and articles Train and configure your brain to remember and recall whatever you want and whenever or wherever you want it Unleash your creative potential with SCRAM Sharpen your critical mind Memorize the Stoics! Kevin Vost,2022-03-22 Memorize the Stoics The Ancient Art of Memory Meets the Timeless Art of Living The title says it all Extolling the powers of God given human reason Stoic philosophers such as Roman knight Musonius Rufus and his student the former slave Epictetus developed powerful practical lessons for living tranquil virtuous loving lives These lessons were praised by such early Church Fathers as Justin Martyr and Origen Epictetus s Handbook was later adapted as a moral guidebook for monks A millennium later Thomas Aquinas mined the Stoic Seneca s lessons on anger gratitude patience and more for use in his Summa Theologiae And in our own day the psychological and moral teachings of the Stoics constitute an art of living that fairly cries out to act as compass for the nearly rudderless boat of our disordered contemporary world But still it is hard to live out important life lessons if you cannot remember them In those same early centuries before and after Christ Greeks like Simonides and Romans like Cicero championed a specialized art of memory Early Church Fathers such as Augustine and Jerome championed this also as did centuries later Albert the Great and Thomas Aquinas The unique virtue of Kevin Vost s book is its wedding of the ancient art of memory to the timeless art of living In his Handbook Epictetus exhorts us to remember his lessons a full dozen times and in his own book Vost shows us how to do just this thereby opening our eyes to unrecognized powers of imagination and memory and to unrecognized

capacities for controlling thoughts emotions and behaviors Even so the Stoics would not mind at all if you found this exercise of imagination and intellect a rather fun thing to do Enjoy
