

## HP COLOR LASERJET PROFESSIONAL CP5220 PRINTER SERIES

CP5225 • CP5225n • CP5225dn

Gain control of your printed documents and make an impact when communicating. One versatile printer covers all your printing needs from general office to oversize documents.

- Get affordable, brilliant A3 printing in your own office.
- Count on easy-to-use, easy-to-manage technology.
- Reduce your environmental impact with features that help you save energy and paper.

### Affordable A3 printing

Now you can handle all your business printing and A3 output in your own office using a single printer. Print everyday business documents and marketing materials as well as wide-format projects at an affordable price—often less than printing at a copy shop.

Easily print on different types of paper—plain, premium, and glossy—with adjustable paper trays. The printer supports sizes from 3 by 5 in up to 12 by 18 in and weights up to 220 g/m<sup>2</sup>. The 100-sheet multipurpose tray and 250-sheet input tray offer flexibility. Add the optional 500-sheet tray for a maximum input capacity of up to 850 sheets.

Use the HP Print Cost Estimator—available in the included HP Print View Software—to compare the cost of printing internally versus at a copy shop.<sup>1</sup>

### High-quality output on a range of documents

HP Color LaserJets help you make an impact by putting your business in the best light. Confidently print spreadsheets, line drawings, marketing materials, client presentations, and more. Using in-line printer architecture, four colors are aligned and applied in a single pass for reliable, accurate print quality.

HP ImageREt 3600 is image resolution technology that creates smooth colors, sharp images, and crisp text. Original HP cartridges with HP ColorSphere toner deliver consistent, printshop-quality results on a range of papers designed for professional office printing.

Enjoy superior print quality at speeds of up to 20 ppm and a black-and-white first page out in as fast as 14.5 seconds, letter (as fast as 1.6 seconds, A4). Instant-on Technology provides a warm-up time from low-power mode that's up to 50% faster compared to competitive models. In fact, your print job may be finished before many printers have started printing.<sup>2</sup>

### Easy to use, share, and maintain

The printer's control panel is intuitive and instructive. Networked models are easy to share, and it's a snap to replace and order supplies.

Access the technology, services, solutions, and support you need to manage and grow your business with HP Total Care.

## ecoHIGHLIGHTS

### HP Color LaserJet Professional CP5220 Printer series

#### ECO INFORMATION

- Save energy with HP AutoOff Technology—intelligence that can turn your printer off when you don't need it.<sup>3</sup>
- Reduce paper use by up to 50% using automatic two-sided printing (CP5225dn model only).
- Free, convenient cartridge recycling in over 47 countries.

ENERGY STAR® Qualified Product  
(CP5225dn model only)
