Queer TV China Jamie J. Zhao, 2023-02-16 The 2010s have seen an explosion in popularity of Chinese television featuring same sex intimacies LGBTQ identified celebrities and explicitly homoerotic storylines even as state regulations on vulgar and immoral content grow more prominent This emerging queer TV China culture has generated diverse cyber and transcultural queer fan communities Yet these seemingly progressive televisual productions and practices are caught between multilayered sociocultural and political economic forces and interests Taking queer as a verb an adjective and a noun this volume counters the Western centric conception of homosexuality as the only way to understand nonnormative identities and same sex desire in the Chinese and Sinophone worlds It proposes an analytical framework of queer ing TV China to explore the power of various TV genres and narratives censorial practices and fandoms in queer desire voicing and subject formation within a largely heteropatriarchal society Through examining nine cases contesting the ideals of gender sexuality Chineseness and TV production and consumption the book also reveals the generative negotiative ways in which queerness works productively within and against mainstream seemingly heterosexual oriented televisual industries and fan spaces This cornucopia of fresh and original essays opens our eyes to the burgeoning queer television culture thriving beneath official media crackdowns in China As diverse as the phenomenon it analyses Queer TV China is the spark that will ignite a prairie fire of future scholarship Chris Berry Professor of Film Studies King s College London This timely volume explores the various possibilities and nuances of queerness in Chinese TV and fannish culture Challenging the dichotomy of positive and negative representations of gender and sexual minorities Queer TV China argues for a multilayered and queer informed understanding of the production consumption censorship and recreation of Chinese television today Geng Song Associate Professor and Director of Translation Program University of Hong Kong

Queer Horror Sean Abley, Tyler Doupé, 2024-08-20 From the beginning horror has been part of the cinema landscape Despite some of the earliest genre films with gay directors such as F W Murnau *Nosferatu* and James Whale *Frankenstein The Invisible Man* *Bride of Frankenstein* LGBTQIA characters have rarely been portrayed in full view For decades filmmakers have included coded content in their films with the homosexual experience translated into censor friendly subtext for consumption by general audiences Gradually LGBTQIA characters and themes have moved from the background to the foreground as the horror genre has grown along with its audience s tastes and attitudes Likewise more and more LGBTQIA writers and directors have begun to offer their queer centric takes on scary movies and today queer horror is a thriving film genre With more than 900 entries this critical filmography is a comprehensive critical yet playful examination of the history of LGBTQIA content in

horror films Eight journalistic contributors dig into every era of scary movies including the early silents pre and post Hays Code content grindhouse sleaze LGBTQIA indies and megaplex studio releases From Whale s The Old Dark House 1932 to Don Mancini s Chucky films and everything in between this collection explores what can be found at the intersection of LGBTQIA and horror in the film industry **The TV-TS Tapestry** ,1995 **Counseling in Genderland** Niela Miller,1996
