## **K53 Learning Guide:**

*The New Official K53 Manual* Clive Gibson, Gavin Hoole, 2013-10-18 The New Official K53 Manual is a comprehensive and effective guide to passing your Learner's Licence and K53 Driver's Licence first time. Covering both light and heavy motor vehicles and motorcycles, each chapter discusses the knowledge and skills expected of you. The learner's section explains the K53 Defensive Driving principles, road signs, and the rules of the road with questions and detailed answers to test your knowledge. At the end of this section, there is a test similar to that compiled by traffic departments. The driver's section explains how candidates are tested and what examiners look out for, with step-by-step instructions on how to perform every manoeuvre in both the yard and road tests. With detailed full-colour illustrations throughout, this is the definitive manual for both the learner's and driver's tests.

**The Official K53 Learner's and Driver's Made Easy** Clive Gibson, 2014-04-01 This best seller continues to provide driving licence candidates with a thorough grounding in everything they need to know to prepare for their learner's licence and K53 driving tests. The text has been revised and updated to take account of changes in road traffic legislation and the practical requirements for the official K53 Defensive Driving system. This well-presented, user-friendly book combines all the elements needed to pass the written tests, yard test, and road tests for motor vehicles, motorcycles, and heavy motor vehicles, and is the only manual that illustrates every rule of the road. Now also includes a handy loose insert that contains information about the official computerised test questions. Taken together, the text, illustrations, and self-tests are designed to reinforce the learning process and make it easier to pass the learner's or driver's test first time.

**The Official K53 Pass Your Learner's Licence First Time** Gavin Hoole, 2013-07-01 The Official K53 Pass Your Learner's Licence First Time is a condensed reference at a budget price. It is based on the official K53 test and contains all the information the learner needs to pass the test. The text has been updated to include the latest information that the learner will need to know to pass the test. Each requirement of the test is set out in a clear, easy-to-read style. As a learner driver, you are guided through all the information you need to master the rules of the road and traffic signs, everything you need to know to pass the test first time, and at a budget price.
