Mate Test Dragon Men Book English Edition:

Necessary Medicine M.K. York, 2017-04-24 With intelligence and humor debut male author M K York delivers an emotionally charged slow burn romance set in a prestigious Bay Area teaching hospital In the high intensity world of hospital residency programs there s no room for romance So it s a good thing for first year surgical resident Neil Carmona that his crush on the gorgeous cardiologist Eli Newcombe is sheer fantasy Not only is the sexy doctor Neil s superior he s also recently divorced As Neil s skill as a surgeon grows so does his friendship with Eli and his silent hopeless longing for more It isn t until Neil s final year that Eli at last admits his own deepest desires But Neil s joy is short lived Eli has no intention of pursuing a relationship Their positions in the hospital would make it unethical even if he was emotionally ready for someone new Wounded and furious Neil is determined to forget about Eli once and for all But when a near tragedy strikes a new question arises Is a life without love without Neil a greater risk than laying his heart on the line This book is approximately 78 000 words One click with confidence This title is part of the Carina Press Romance Promise all the romance you re looking for with an HEA HFN It s a promise

Western Aviation, Missiles, and Space ,1942 *Filling the Hole in the Nuclear Future* Robert Jacobs, 2010-04-12 From the dawn of the atomic age art and popular culture have played an essential role interpreting nuclear issues to the public and investigating the implications of nuclear weapons to the future of human civilization Political and social forces often seemed paralyzed in thinking beyond the advent of nuclear weapons and articulating a creative response to the dilemma posed by this apocalyptic technology Art and popular culture are uniquely suited to grapple with the implications of the bomb and the disruptions in the continuity of traditional narratives about the human future endemic to the atomic age *Filling the Hole in the Nuclear Future* explores the diversity of visions evoked in American and Japanese society by the mushroom cloud hanging over the future of humanity during the last half of the twentieth century It presents historical scholarship on art and popular culture alongside the work of artists responding to the bomb as well as artists discussing their own work From the effect of nuclear testing on sci fi movies during the mid fifties in both the U S and Japan to the socially engaged visual discussion about power embodied in Japanese manga *Filling the Hole in the Nuclear Future* takes readers into unexpected territory
