

LANCER EVOLUTION IX

FOREWORD

This manual contains details of the main changes to the 2005 model Lancer Evolution IX. Only differences to the current Lancer Evolution VIII MR are included, so please use this manual in conjunction with the related manuals as listed on the following page.

Please read this manual carefully so that servicing can be done correctly and quickly, and vehicle performance maintained.

This manual is based on the current (March 2005) model. Please bear in mind that vehicle specifications may change and that future models may not be the same.

Please note that all the units shown in this manual follow the internationally recognized SI unit system, and that the used previously are not shown alongside the SI units. (Nevertheless, please take care because units in reference documents may be shown in the units which were previously used).

Any opinions, requests or questions concerning this manual, should be written on the 'Servicing Comments Form' at the end of the manual, and sent to us by fax.
