Lemon-Aid New Cars and Trucks 2013 Phil Edmonston, 2012-12-01 Canada's automotive Dr Phil says there's never been a better time to buy a new car or truck. For deals on wheels 2013 will be a perfect storm. There's never been a better time to buy a new car or truck thanks to a stronger Canadian dollar, a worldwide recession driving prices downward and a more competitive Japanese auto industry that's still reeling from a series of natural disasters. In addition to lower prices and more choices, 2013 car buyers will see more generous cash rebates, low financing rates, bargain leases and free auto maintenance programs. Buy, sell or hold. Which cars and trucks are wallet friendly and can easily last 15 years? Which vehicles offer the most features to best accommodate senior drivers? Do ethanol and hybrid fuel saving claims have more in common with Harry Potter than the Society of Automotive Engineers? Is GM's 2013 Volt electric car destined to become an electric Edsel? These questions and more are answered in this informative guide.

He says there's never been a better time to buy a new car or truck thanks to a stronger Canadian dollar and an auto industry offering reduced prices, more cash rebates, low financing rates, bargain leases and free auto maintenance programs. In this all new guide, he says Audis are beautiful to behold but hell to own, biodegradable transmissions, rodent snack wiring and mind boggling depreciation. Many 2011-12 automobiles have chin to chest head restraints, blinding dash reflections and dash gauges that can't be seen in sunlight, not to mention painful wind tunnel roar if the rear windows are opened while underway. Ethanol and hybrid fuel saving claims have more in common with Harry Potter than the Society of Automotive Engineers. GM's 2012 Volt electric car is a mixture of hype and hypocrisy from the car company that killed its own electric car more than a decade ago. You can save 2,000 by cutting freight fees and administrative charges. Diesel annual urea fill-up scams can cost you 300, including an 80 handling charge for 25 worth of urea.
