The Interpreter's Daughter Teresa Lim, 2022-09-06 A beautiful sweeping multigenerational narrative that spans from nineteenth century south China to modern day Singapore I would learn that when families tell stories what they leave out redefines what they keep in With my family these were not secrets intentionally withheld Just truths too painful to confront In the last years of her life Teresa Lim's mother Violet Chang had copies of a cherished family photograph made for those in the portrait who were still alive The photo is mounted on cream card with the name of the studio stamped at the bottom in Chinese characters The place and date on the back Hong Kong 1935 Teresa would often look at this photograph enticed by the fierceness and beauty of her great aunt Fanny looking back at her But Fanny never seemed to feature in the family stories that were always being told and retold Why she wondered This photograph set Teresa on a journey to uncover her family's remarkable history Through detective work serendipity and the

kindness of strangers she was guided to the fascinating ordinary yet extraordinary life of her great aunt and her world of sworn spinsters ghost husbands and the working class feminists of nineteenth century south China But to recover her great aunt's past we first must get to know Fanny's family the times and circumstances in which they lived and the momentous yet forgotten conflicts that would lead to war in Singapore and ultimately a long buried family tragedy *The Interpreter's Daughter* is a beautifully moving record of an extraordinary family history For fans of *Wild Swans* *The Hare With Amber Eyes* and *Falling Leaves* *The Interpreter's Daughter* is a classic in the making [Shakespeare in the Theatre: Shakespeare Theatre Company](#) Deborah C.
