4th Dimensional Living in a 3 Dimensional World Yong-gi Cho, 2006 Many of Dr Cho's books talk about life in the fourth dimension a realm that is more real than the physical world in which we live He points out that the world we know was fashioned in the invisible fourth dimensions the spiritual realm and the things we see are only temporary whereas spiritual things are eternal In light of this he wants each of us to gain entrance to the fourth dimension the place where the God of might and miracles lives and moves

Fourth Dimensional Living in a Third Dimensional World David Cho, 2007-01-15 Life in a Higher Dimension Dr David

Yong Gi Cho is the pastor of the world's largest church and a best selling author. Many of his books talk about life in the Fourth Dimension, a realm that is more real than the physical world in which we live. He points out that the world we know was fashioned in the invisible Fourth Dimension, the spiritual realm, and the things we see are only temporary, whereas spiritual things are eternal. In light of this, he wants each of us to gain entrance to the Fourth Dimension, the place where the God of might and miracles lives and moves. How do we move from this sphere into the Fourth Dimension? Dr. Cho provides a road map for us by showing us the things we need to change in order to get there and live there. We must change the way we think. We must live by faith, not by sight. We must dream God's dreams. We must change the way we speak. We must change the way we behave. Yes, these are the keys that open the door to the Fourth Dimension for every child of God who wants to know and experience God in all His fullness. As you read this book, you will gain glimpses into the spiritual dimension, a wonderful place of love, peace, and joy, and you will be inspired to go there and stay there. Though you are in the world, you do not have to be of the world. By faith, we understand that the worlds were prepared by the word of God, so that what is seen was not made out of things which are visible. Hebrews 11:3 NKJV

The Fourth Dimension David Cho, 2016-12-02. In this new combined version of *The Fourth Dimension Volumes One and Two*, Dr. David Paul Yonggi Cho's comprehensive spiritual philosophy on the power of dynamic faith is brought together in one place for completeness and ease of reference. A Senior Pastor Emeritus of Yoido Full Gospel Church in Seoul, Korea, Dr. Cho grounds his belief in his experiences following his conversion to Christianity as a young man and while suffering from tuberculosis. By developing the idea of the spiritual being as the fourth dimension, he ultimately demonstrates how this can, through faith and prayer, influence and effect change in the physical being, leading to personal growth and renewal. In these pages, you will discover: A World of Answered Prayer, A Creative Way of Life, Dynamic Faith, True Communion with God, Secrets of a Successful Faith Life.

The Fourth Dimension Robert Lee Bell, 2013-08. Dr. Robert Lee Bell's book *The Fourth Dimension: Truth or Deception?* is a very well researched and balanced study on the teachings of Yonggi Cho. It is indeed a need in this age to explore the dangers of the man-centered theology that Apostle Paul warned against in II Timothy 3:1-9. Dr. Bell has compared Cho's theology with the Scriptures, and it is very clear that Cho's theology is a synthesis of Christianity, shamanism, and occult practices, a deceptive mixture of error and truth which appears. Christian Cho takes Scripture out of context and twists it to conform to a preunderstood paradigm.

The Fourth Dimension, Volume 2 David Yonggi Cho, 2015-08-24. In *The Fourth Dimension Vol 2*, the sequel to the best-selling *The Fourth Dimension Vol 1*, Dr. David Yonggi Cho, pastor of the world's largest church, reveals in greater depth the faith secrets that enable him to build his church. Then he shows how to develop dynamic faith, have true communion with God, overcome all spiritual obstacles, and destroy all spiritual barriers.

The Fourth Dimension Yong-gi Cho, 1996.

Christianity in Crisis Hank Hanegraaff, 2012-06-18. Nearly two decades ago, Hank Hanegraaff's award-winning *Christianity in Crisis* alerted the world to the dangers of a cultic movement within Christianity that threatened to undermine

the very foundation of biblical faith But in the 21st century there are new dangers new teachers who threaten to do more damage than the last These are not obscure teachers that Hanegraaff unmasks We know their names We have seen their faces sat in their churches and heard them shamelessly preach and promote the false pretexts of a give to get gospel They are virtual rock stars who command the attention of presidential candidates and media moguls Through make believe miracles urban legends counterfeit Christs and twisted theological reasoning they peddle an occult brand of metaphysics that continues to shipwreck the faith of millions around the globe God cannot do anything in this earthly realm unless we give Him permission Keep saying it I have equality with God talk yourself into it Being poor is a sin The Jews were not rejecting Jesus as Messiah it was Jesus who was refusing to be the Messiah to the Jews You create your own world the same way God creates His He speaks and things happen you speak and they happen Christianity in Crisis 21st Century exposes darkness to light pointing us back to a Christianity centered in Christ From the Preface Having lost the ability to think biblically postmodern Christians are being transformed from cultural change agents and initiators into cultural conformists and imitators Pop culture beckons and postmodern Christians have taken the bait As a result the biblical model of faith has given way to an increasingly bizarre array of fads and formulas

To the Ends of the Earth Allan Heaton Anderson, 2013-01-04 No branch of Christianity has grown more rapidly than Pentecostalism especially in the southern hemisphere There are over 100 million Pentecostals in Africa In Latin America Pentecostalism now vies with Catholicism for the soul of the continent and some of the largest pentecostal congregations in the world are in South Korea In To the Ends of the Earth Allan Heaton Anderson explores the historical and theological factors behind the phenomenal growth of global Pentecostalism Anderson argues that its spread is so dramatic because it is an ends of the earth movement pentecostals believe that they are called to be witnesses for Jesus Christ to the furthest reaches of the globe His wide ranging account examines such topics as the Azusa Street revival in Los Angeles the role of the first missionaries in China India and Africa Pentecostalism s incredible diversity due to its deep local roots and the central role of women in the movement He describes more recent developments such as the creation of new independent churches megachurches and the health and wealth gospel and he explores the increasing involvement of pentecostals in public and political affairs across the globe Why is this movement so popular Anderson points to such features as the emphasis on the Spirit the born again experience incessant evangelism healing and deliverance cultural flexibility a place to feel at home religious continuity an egalitarian community and meeting material needs all of which contribute to Pentecostalism s remarkable appeal Exploring more than a century of history and ranging across most of the globe Anderson illuminates the spectacular rise of global Pentecostalism and shows how it changed the face of Christianity worldwide

als Konfessionsbezeichnung einer bestimmten Kirche missverstanden Die in diesem Band vorgelegten Vorträge der 18. Wissenschaftlichen Konsultation der Societas Oecumenica beleuchten die kumenische Bedeutung der Katholizität die alle Kirchen im Glaubensbekenntnis bekennen Dabei werden auch die Spannungen zwischen Einheit und Vielfalt sowie die Herausforderungen durch neuere Entwicklungen in der weltweiten Christenheit in den Blick genommen In many contexts the attribute catholic is misunderstood as a confessional term describing one specific church The papers of the 18th Academic Consultation of Societas Oecumenica presented in this book give insights to the ecumenical significance of the catholicity which all churches confess in the Creed They also take into consideration the tensions between unity and diversity as well as the challenges by new developments in worldwide Christianity
