My dear George, I have been

reply to you as soon as I
should. I am sorry to hear
that you are not well. I
hope you will soon be
better. I am very
kindly yours,
John

my love always looked at me
in that faint light—I see his many pe-
guy ready—and the music of his
boyhood returns
with a softness, softer
his consciousness that something
is missing
his eyes must have look out
wonderously from the cave of the little
boy—when the things he did not understand
he forgot
but will he look like this when he is dead
an unresponsive face invisible
yet sooner would I rather he live like
this/or him?
