George W. Bush Beatrice Gormley, 2015-09-08 Learn about the life of the 43rd President of the United States in this updated biography of George W Bush specially written for a younger audience President George W Bush once said I never dreamed about becoming president When I was growing up I wanted to be Willie Mays George W was born July 6 1946 in New Haven Connecticut He grew up in Texas but returned to Connecticut to attend Yale University As a young man he trained as a fighter pilot in the Texas Air National Guard before beginning a career in business He entered Texas politics and served as the state s governor from 1994 to 2000 In 2001 George W Bush won one of the closest and most disputed presidential elections in United States history During his first term Bush launched a war against terrorism after the devastating attacks of September 11 2001 In 2004 he won his second term against John Kerry Originally published as President George W Bush in 2005 this revised biography of the 43rd President of the United States includes eight pages of photos as well as a timeline and index

President George W. Bush Beatrice Gormley, 2000-12-14 Our new president George W Bush once said I never dreamed about becoming president When I was growing up I wanted to be Willie Mays George W was born in 1946 and attended Yale University As a young man he trained as a fighter pilot in the Texas Air National Guard before beginning a career in business He then turned to Texas politics and served as governor there from 1994 to 2000 This is the first biography for young people to be published about the forty third president of the United States George W Bush With up to the minute information and quotes from our new president including details of the final days of the campaign and a description of the events from Election Day to acceptance speech this book is essential reading for every young student of American history

George W. Bush Heron Marquez, 2005-12-01 Chronicles the life and political career of the forty third president of the United States

The George W. Bush Presidency Robert E. Denton Jr., 2012-07-21 To date there are only a couple dozen or so books specifically about the Presidency of George W Bush Political operatives members of the media and former administration officials have written most of the volumes Additionally the early books on the Bush presidency focus on the various aspects and dimensions of the War on Terror In essence these studies challenge the justification of our deployment the Bush doctrine and the assumptions of nation building Few volumes focus on his quite substantial legislative record and impact There are a few academic volumes on the Bush presidency but they were completed while he was still in office They tend to be biased and uniformly negative The George W Bush Presidency A Rhetorical Perspective seeks to remedy this lack of academic investigation of the 43rd president and his rhetorical strategies This volume is unique because the contributors analyze the Bush Presidency from a largely rhetorical perspective The chapters look at the rhetoric of Bush across the contexts of domestic policy foreign policy the wars and politics in general Further this thorough study examines the Inaugural addresses State of the Union addresses and addresses before joint sessions of Congress Others analyze his political philosophy policy issues and his rocky relationship with the news media Collectively

this essential text provides insight into the role of public discourse in the campaigning and governing of the George W Bush presidency
