

JANUARY ... DOES IT BRING YOU JOY?

- 1 January is the time for renewal on many fronts. It's the time of the year to re-evaluate everything. If something or someone doesn't bring you joy, it's pretty pointless carrying on with it. If we want the best, we must do our best. We must keep our family space safe and secure so that we are thriving as a people and as a nation. 5
- 2 In order to live their best lives, people are spreading themselves thinner and thinner with multiple streams of income. In the process we earn more but live less, we lose our focus of what is important.
- 3 With social media, keeping up with other Instagrammers are having a devastating effect on self-perception. Everything appears to be real perfect, but the fabric of our society is frazzled. Use January to take stock and start navigating new ways of doing things. Instead of multiple streams of sole sessions, travel more, and connect with people and places that bring you joy. 10

Andrea Schapper,2013-11-07 From the Global to the Local develops a unique perspective on human rights governance in
developing countries where the state often lacks the required resources capacities and expertise for implementing rights
Considering how rights that have been agreed upon in the global arena of world politics are locally implemented this book
then specifically explores how they reach the local children of Bangladesh s urban slums and poor rural areas Andrea
Schapper combines an analytical framework grounded in international relations scholarship on global governance with
empirical field research methods that have their basis in sociology and anthropology Utilising this methodology the book
examines three principles that represent a global consensus on children s rights the protection of children from the worst
