

JANUARY ... DOES IT BRING YOU JOY?

- 1 January is the time for renewal on many fronts. It's the time of the year to re-evaluate everything. If something or someone doesn't bring you joy, it's pretty pointless carrying on with it. If we want the best, we must do our best. We must keep our family space safe and secure so that we are thriving as a people and as a nation. 5
- 2 In order to live their best lives, people are spreading themselves thinner and thinner with multiple streams of income. In the process we earn more but live less, we lose our focus of what is important.
- 3 With social media, keeping up with other Instagrammers are having a devastating effect on self-perception. Everything appears to be real perfect, but the fabric of our society is frazzled. Use January to take stock and start navigating new ways of doing things. Instead of multiple streams of sole sessions, travel more, and connect with people and places that bring you joy. 10

House of Commons,1902 The Idea of Central Europe Otilia Dhand,2018-04-26 Central Europe is one of the key notions of classical geopolitics yet it has always been a somewhat elusive concept Originally perceived as a plan for a German dominated political and economic union it subsequently emerged to threaten leaders in the East and West in a variety of forms Otilia Dhand provides a critical examination of the concept of Central Europe from its early inception to the present day Making extensive use of archival material she shows how successive manifestations of Central Europe of whatever vintage have failed to bring about their intended changes on the international structure and how customary claims about Central Europe are not supported by the original source material The result is a work of outstanding scholarship that advances our understanding of regionalism and geopolitics in Europe Report of the Committee of Council on Education (England and Wales), with Appendix Great Britain.
