

## Assignment 8-8

### Income Taxation

#### **1. Tax law**

Tax law, the set of laws according to which a public government has a taxpayer requirement demanding that part of its money or property be passed to the authority. Taxation is widely understood as a right in government. Under income taxes in society are what that everyone knows. Tax law has and the general impact of taxation on society is something about which society as a whole represents nothing. Furthermore, there is not direct personal effect and direct of that relations between the CMAT and the tax accounting system, not to mention the consequences of changing or building the adequate complementarity of income tax reporting.

#### **2. Tax exemption law**

The tax exemption is the declaration or removal of the obligation of compulsory payment to persons, concepts, goods or transactions that would otherwise be imposed by the ruling law. It is called that kind, reduced either in law or in fact, of the general rule. In practice a tax-exempt condition. Examples include exemptions from property and income taxes, interests and certain conditions on multinational scenarios for charitable organizations. Tax-exemption generally means a statutory exemption from the general rule instead of simply the absence of taxation, otherwise known as reduction, in particular circumstances.

#### **3. Nature of Philippine Tax law**

The Philippines' tax law covers national and local taxes. The Bureau's national internal revenue taxes are those imposed by the National Government and collected by the Bureau of Internal Revenue (BIR), and the local taxes are those that the local government imposes and collects.

#### **4. Tax and its elements and**

The tax is considered established only in that case when taxpayers and elements of taxation have been identified, namely: the object of taxation, tax base, tax period, tax rate, tax calculation procedure, the procedure, and terms of payment.

#### **5. Classification of taxes**

Taxes are generally classified as direct or indirect, as is the income tax and sales tax, for example. Formerly classified as indirect tax.
