Beyond the Gift James Osbert Browne Jr., 2022-01-19. God is not impressed by what He gave us in the form of our gifts and talents, but He is impressed by what we do with the deposit He has invested in us. In our world today, society celebrates the person who is gifted. That person may be a great athlete or a master musician. However, what impresses people does not impress God, because He is the one who gave the gift in the first place. Every human being on the planet was born with a unique God-given ability to arrive at their purpose in life. In other words, you are gifted for the assignment that is on your life. The problem in our world is that many people just arrive at their gifts but never make it to the otherside of their destiny and assignment. This book is designed to show you how to get to the otherside of who you were born to be. **Dark Money and Private Spies** Everett Stern, 2022-06-06. A man recounts his attempts to expose a bank's financing of terrorism in this memoir. Kirkus. What makes a person choose justice over self-interest? When Everett Stern landed his dream job as HSBC Bank's new Anti-Money Laundering Compliance Officer, he never imagined the career move would lead to international notoriety as a whistleblower. During his time at HSBC, Stern discovered that the bank deliberately failed to maintain anti-money laundering policies, allowing for millions of dollars of drug proceeds and terrorist funding to be laundered through the U.S. financial system. Stern knew he could not stand by and allow this to continue. In 2011, he alerted the U.S. authorities of his findings. The ensuing investigation resulted in HSBC being issued with an unprecedented 1.9 billion dollar fine. But the pursuit of justice came at a high personal cost to Stern. His banking career was over, and the experience left him disillusioned. In *Dark Money and Private Spies*, Stern finally shares the full account of his experience with the corruption, espionage, and injustice that plague today's financial and legal systems. He

details both the precursors to his defining moment and the explosive aftermath which saw him blacklisted from the financial industry From his current position as a Senate candidate and Intelligence Director of a private intelligence agency Tactical Rabbit Stern offers unique insight into this booming sector Part true crime thriller and part condemnation of America s failed systems it s a sobering tale of one whistleblower s fight for justice **Ease of Diagnosis and Repair of New Cars.
