

Example of Case Analysis Writing

Below is an example of what I consider excellent work. As you read through this example, note how clearly the author applies concepts from the course (this was a class on organizational change) and applies them to the case. This application is clear and explicit.

For example, the first section of this paper deals with the problems Disney faces. This author suggests that Disney's "strategic context" is an important issue. "Strategic Context" is a key concept from the literature this class read on managing organizational change. Note how the author introduces the concept, clearly defines it, and then uses that concept to analyze Disney. In this discussion, evidence regarding Disney's strategic context is clearly presented and discussed/ evaluated using the concept.

The September 6, 1999 *Fortune* article entitled, "Eisner's mousetrap," describes the well known Disney Company as a large organization (\$24 billion in revenue in 1999) that "has simply stopped growing." The status of the company was examined in detail by the article and a number of problems were revealed. This paper is based on the information provided by the article and is divided into two sections. The first section discusses four reasons for the difficulties currently confronting the Disney Company. The second section offers suggestions that would allow Disney to address the difficulties it now faces as it successfully changes.

Reasons Why Disney is Facing Difficulties

The myriad of problems facing Disney can be traced to four causes. The difficulties began with a dramatic shift in the strategic context under which the company operates. This shift highlighted shortcomings in the company's structure and culture. And CEO Michael Eisner's hands-on, meddlesome approach has thwarted efforts to turn around the company.

Disney's strategic context. Tushman and O'Reilly define strategic context as three key factors that help managers understand the opportunities and constraints that lie before their organizations. The factors are: (1) the environment in which the organization operates, (2) the resources available to the organization, and (3) the history of the organization. The strategic context is the vital first step in Tushman and O'Reilly's congruence model. Once the strategic context is understood, strategic choices can be made, critical tasks defined, and alignment checked between those critical tasks and the organization's people, organization, and culture. If that strategic context is altered, however, choices can be incorrect, critical tasks off target, and relationships misaligned.

Disney's strategic context has undergone dramatic changes in recent years. Its competitive environment, its customers, its market position, and its history have all combined to alter its strategic context.

Disney used to have the same markets (particularly the kids market) to itself, but in broadcasting Disney is now a "poor third" behind Nickelodeon and the Cartoon Network among kids aged 2 to 11 and in popular kids shows (and related merchandising) Disney has nothing to compare to Nickelodeon's *Blue's Clues*, PBS's *Teletubbies* and WB's *Pokemon*. In videogames, Disney is an "also-ran." Disney used to be the only studio to produce animated features, but now Warner, Dreamworks, and Fox all do. Even Disney's

Beyond Real Estate Licensing: Case Study Analysis of Behavioral Assessment Relationship Applied to Human Performance

Conrad R. Richards,2010-02-16 Conrad s new book Beyond Real Estate Licensing Case Study Analysis of Behavioral Assessment Relationship Applied to Human Performance is an outgrowth of his doctoral studies The specific problem this research addresses pertains to whether behavioral readiness has an impact upon real estate brokerage sales performance Although real estate students may score high on the real estate licensing examinations it may not prove the students ability to perform in a real estate brokerage performance sales environment The most important performance criteria in real estate sales could be conceived as a developed personality capacity and alignment of motivational values It is also noted that learning sales facilitators can not guarantee the knowledge transfer to performance unless behavioral readiness is presented Therefore behavioral assessment analysis can be considered as an integral aide to performance improvement The purpose of this study was to establish the organizational responsibility towards behavioral assessment analysis during the pre employment phase The results of this study indicate that behavioral assessments may improve the overall recruitment and selection capability and to identify the necessary behavioral readiness that is necessary for knowledge transfer into sales performance **Foreign Direct Investment and Poverty Reduction** Michael U. Klein,Carl

Aaron,Bita Hadjimichael,2001 In the 1990s foreign direct investment began to swamp all other cross border capital flows into developing countries Does foreign direct investment support sound development In particular does it contribute to poverty reduction Developing Academic Literacies Dimitra Koutsantoni,2007 This book combines a social constructionist view of academic writing with a pedagogical orientation seeking to explore the dialogic relationship between the culture of academic discourse communities and their rhetoric and provide a comprehensive analysis of variation across disciplines genres and national intellectual cultures The analysis focuses on the rhetorical organisation of research genres and the resources that convey authors epistemic and attitudinal stance The findings form the basis for the design of socio culturally oriented learning materials for the teaching of writing in the disciplines and the development of academic literacies
