improvement and maintenance we've been writing about it for the past quarter century and we have more than a few bestsellers under our tool belts. But until now there's been one thing missing: an ultimate fully loaded ridiculously huge reference book for every home project you can dream of: the compilation of our longstanding expertise: the home how-to book to crush all others. Not anymore. But the good news doesn't stop there. Black & Decker The Book of Home How To is designed to reflect the way we search for information today. You won't find chapters or long boring introductions or even a table of contents. This book is an A to Z encyclopedia with precise how-to instructions and clear photos packed onto every page. With an expanded index that is incredibly intuitive and a simple alphabetical strategy for organizing the information, you won't spend precious time wading through stuff you don't need to know. Finding first-rate information on home care has never been easier, and all the most common tasks around your home are covered, including electrical, plumbing, flooring, walls, windows, and doors, cabinetry, insulating, heating and cooling, roofing and siding, and just about any repair or remodeling project you can imagine. Black & Decker The Book of Home How To is incredibly easy to use because it thinks like you do.
