

PRAYER FOR GRADUATES

Heavenly Father,
Surround those who are graduating with
your grace.

Bless them with hope so that they move into
the future with eager and open hearts.

Help them to put the knowledge, skills, and
insights gained through their education to
use for the good of all humankind.

Inspire them to believe in the goodness of
life even when faced with challenges and
difficulties.

As they commence with their lives, may they
grow ever more grateful and wise.

All of this we ask in the name of Jesus, your
beloved Son. Amen.

Common Spaces Between Us Melynn Rust, 2020-01-09 Polarization occurring in the United States today is not only a social concern it is also a spiritual condition of the heart How can we connect with others in the midst of our differences when deep in our hearts we might harbor shadows such as judgment or fear In *Common Spaces Between Us* Melynn Rust explores this question by inviting readers into the diverse college campus community where she served as chaplain and where much to her surprise and chagrin she found herself struggling at times to connect with students amid differences She was skeptical of Muslim students requesting bidets in the chapel bathrooms She balked at visiting a student in the hospital psychiatric unit She was afraid to publicly stand up for LGBTQ students She butted heads with students who shared her religion but not her beliefs She had presumed she inherently would live out her values to honor the dignity and equality of all yet in her interactions with others she kept bumping into her own shadows stifling connection Ultimately she discovered that true connection happens when we embody practices that recognize honor and nurture the good in both ourselves and others in the common spaces between us *Herald and Presbyter*, 1906 **Congressional Record** United States. Congress, 1975

Prayer in America James P. Moore, Jr., 2007-09-18 A stirring chronicle of the spiritual life of a nation *Prayer in America* shows how the faith of Americans from the founding fathers to corporate tycoons from composers to social reformers from generals to slaves was an essential ingredient in the formation of American culture character commerce and creed *Prayer in America* brings together the country's hymns patriotic anthems arts and literature as a framework for telling the story of the innermost thoughts of the people who have shaped the United States we know today Beginning with Native Americans *Prayer in America* traces the prayer lives of Quakers and Shakers Sikhs and Muslims Catholics and Jews from their earliest days in the United States through the aftermath of 9/11 and the 2004 presidential election It probes the approach to prayer by such diverse individuals as Benjamin Franklin Elvis Presley Frank Lloyd Wright J C Penney P T Barnum Jackie Robinson and Christopher Columbus It includes every president of the United States as well as America's clergy immigrants industrialists miners sports heroes and scientists *Prayer in America* shows that without prayer the political cultural social and even economic and military history of the United States would be vastly different from what it is today It engages in a thoughtful timely examination of the modern debate over public prayer and how the current approach to prayer bears deep roots in the philosophies of the country's founding fathers a subject which remains distinct from the debate over church and state **When Colleges Sang** J. Lloyd Winstead, 2013-06-30 *When Colleges Sang* is an illustrated history of the rich culture of college singing from the earliest days of the American republic to the present Before fraternity songs alma maters and the raucous college fight songs became commonplace students sang Students in the earliest American colleges created their own literary melodies that they shared with their classmates As J Lloyd Winstead documents in *When Colleges Sang* college singing expanded in conjunction with the growth of the nation and the American higher education system While it was often

simply an entertaining pastime singing had other subtle and not so subtle effects Singing indoctrinated students into the life of formal and informal student organizations as well as encouraged them to conform to college rituals and celebrations University faculty used songs to reinforce the religious practices and ceremonial observances that their universities supported Students used singing for more social purposes students sang to praise their peer s achievements and underachievements mock the faculty and provide humor In extreme circumstances they sang to intimidate classmates and faculty and to defy college authorities Singing was and is an intrinsic part of campus culture When Colleges Sang explores the dynamics that inspired collegiate singing and the development of singing traditions from the earliest days of the American college Winstead explores this tradition s tenuous beginnings in the Puritan era and follows its progress into the present Using historical documents provided by various universities When Colleges Sang follows the unique applications and influences of song that persisted in various forms This original and significant contribution to the literature of higher education sheds light on how college singing traditions have evolved through the generations and have continued to remain culturally relevant even today **The Pharmaceutical Era** ,1919 Cincinnatus ,1858 **Gospel Echo and Christian** ,1962 **Medical Century** Charles Edmund Fisher,1894 **The Midland Druggist and Pharmaceutical Review** ,1914 **Midland Druggist and the Pharmaceutical Review** ,1916 The Nazis , **Chicago Medical Examiner** Nathan Smith Davis,1872 the cincinnatus f. g. cary,1858 The Cincinnatus ,1858 Devoted to scientific agriculture horticulture education and improvement of rural taste varies We Shall Not Be Moved M.
