iPhone Se: The Complete Guide Scott Casterson, 2016-04-14

Apple Inc has continued its trend for excellence with the release of its latest smartphone The iPhone SE Special Edition along with the iOS 9.3 software were launched to the public by Tim Cook via a company press conference on March 21, 2016. The new iPhone SE Special Edition is scheduled for pre-release purchase on March 24 and will go on sale by the 31st of March 2016. This new device has been dubbed the smallest in the current iPhone line, skillfully created through a combination of the design from the iPhone 5s and the internal makeup from the iPhone 6s. This collaboration has resulted in what many have purported to be a capable, sleek, and efficient. Other reviews have lauded Apple Inc for the creation of the complete device in such a small 4-inch package. The new iPhone SE has been outfitted with a number of mainstream Apple features but also boasts new upgrades guaranteed to be enjoyed by customers.

This guide is formulated to help you get started with using your iPhone in as little time as possible. You can start using the iPhone as soon as you start using this book rather than have to wait to finish the guide before starting. That is not even all this guide was purposely written to serve as an iPhone guide in a non-formal and too techy language except where it cannot be avoided. Even then, a lot of efforts have been put in to ensure the language used in this book is a little more casual than what you would expect from most other iPhone manuals. With this book in your hands, you can save yourself time and tons of energy by sampling, following the tips, tricks, and advice you'll find within. You will also gain immense knowledge in the step-by-step, easy-to-follow chapters used throughout this book. Only those who have this book can benefit from having such an amazing reference book that can deal with any potential challenges you might find face along the way. From an iPhone Novice to Expert User, acquiring an iPhone can be both a thrilling and intimidating experience. On the one hand, it's can feel like just being gifted a new toy you have always wanted, especially a great phone like the iPhone 12 Pro Max. On the other hand, being called one of the best phones on planet earth means it has to have lots of features. I mean, you probably would have also found out for yourself that it does have lots and lots of features. Some of which you probably may never use. But for those features you intend to use or should use, you will need a great guide like this book that understands your needs and is ready to take you through the process in a language simple to understand.
