you can transform students into college and career ready writers *The One-on-One Reading and Writing Conference*
 Jennifer C. Berne, Sophie C. Degener, 2015 Personal interactions are the single most effective way for teachers to understand and evaluate their student as learners Responding specifically to new Common Core State Standards in reading and writing this book introduces pre and inservice teachers to a method of one on one interaction the authors refer to as the stretch conference This book provides detailed practical advice on the logistics of implementing these conferences during the busy school day including tips on how and when to schedule conferences and how to successfully manage the classroom during conference time The authors argue that rather than using valuable conference time for word level concerns and editing teachers should focus on more ambitious goals that will deepen or stretch students skills in comprehension and writing This resource suggests where conferences fit in with other important pieces of literacy instruction introduces a variety of high quality cues to use during conferences and shows how conferences can function as formative assessment for reading and writing skills This book was written by two veteran teacher educators who conduct frequent workshops and professional development with teachers helps teachers adjust their instruction for the demands of Common Core Standards and includes many detailed examples of effective conferences taken from real classrooms *How Do I Get Them to Write?* Karen Filewich, 2017-05-15 This remarkable book shows teachers how to inspire students to learn to write and write to learn Committed to the premise that all students can learn to write with appropriate teaching modelling and practice it argues that reading and writing go hand in hand Through reading writing and the inevitable discussions that follow students learn from the experiences of others open their minds to many possibilities gain a glimpse into new worlds make connections to their lives and reflect on their own choices and learning This practical book shows you how to use freewriting and powerful mentor texts to create classrooms where students enjoy putting pencil to paper and taking the necessary risks to grow and flourish as writers **The Literacy Cookbook** Sarah Tantillo, 2012-11-16 Proven methods for teaching reading comprehension to all students The Literacy Cookbook is filled with classroom tested techniques for teaching reading comprehension to even the most hard to reach students The book offers a review of approaches that are targeted for teaching reading writing speaking and listening skills The book also includes information on how to connect reading writing and test prep Contains accessible and easy to adopt recipes for strengthening comprehension reading writing and oral fluency Terrific resources are ready for download on the companion website The materials in this book are aligned with the English Language Arts Common Core Standards The website includes an ELA Common Core Tracking Sheet a handy resource when writing or evaluating curriculum Don't Forget to Share Leah Mermelstein, 2007 I am certain that you will feel excited to try out the different kinds of share sessions that Leah discusses and that she will give you the know how and confidence you will need to be successful Carl Anderson Author of *Assessing Writers* Traditionally the writing workshop is a three part framework a minilesson writing time and a share session Because much attention has been given to lessons and conferencing the share session has

sometimes seemed like an afterthought rather than an opportunity for children to look closely at their writing process and discuss it with others No more With Don t Forget to Share Leah Mermelstein helps you recognize the importance of this aspect of the workshop and shows you ways to get maximum instructional impact from it Don t Forget to Share is the first book to take on the share session in depth revealing why it s essential to the success of writing workshop Mermelstein presents insight and smart ideas for conducting share sessions that honor and reinforce individual kids accomplishments while at the same time offering them a safe way to get input from other writers From setting up share sessions to facilitating them she presents shares that promote rich conversations that support students improvement in four specific areas of writing content craft process progress With in action transcripts of teachers and students helpful tips for working with English language learners and struggling writers suggestions for matching children to share activities and samples of effective teaching language Don t Forget to Share has everything you need to not only invest your teaching time in share sessions but to make them work for you and your students So if you re looking for a new way to ramp up the power of your writing workshop take the advice of Leah Mermelstein and Don t Forget to Share
