Learning Goal: I can write a narrative piece.

Date _____

Part of piece	1 point <i>I need to work on it.</i>	2 points <i>I tried.</i>	3 points <i>I did it!</i>	4 points <i>I went beyond.</i>	Points
Overall	I told, drew, and wrote a whole story.	I wrote about when I did something.	I wrote about one time when I did something.	I told the story bit by bit.	
Lead	I had a page that showed what happened first.	I tried to make a beginning for my story.	I thought about how to write a good beginning and chose a way to start my story. I chose the action, talk, or setting that would make a good beginning.	I wrote a beginning in which I helped readers know who the characters were and what the setting was in my story.	
Transitions	I put my pages in order.	I put her pages in order. I used words such as and, then, and so.	I told the story in order by using words such as when, then, and after.	I told my story in order by using phrases such as a little later and after that.	
Ending	I had a page that showed what happened last in my story.	I found a way to end my story.	I chose the action, talk, or feeling that would make a good ending.	I chose the action, talk, or feeling that would make a good ending and worked to write it well.	
Organization	My story had a page for the beginning, a page for the middle, and a page for the end.	I wrote my story across three or more pages.	I wrote a lot of lines on a page and wrote across a lot of pages.	I used paragraphs and skipped lines to separate what happened first from what happened later (and finally) in her story.	
Elaboration*	My story indicated who was there, what they did, and how the characters felt.	I put the picture from my mind onto the page. I had details in pictures and words.	I tried to bring my characters to life with details, talk, and actions.	I worked to show what was happening to (and in) my characters.	40
