Polish Cinema Today Helena Goscilo, Beth Holmgren, 2021-08-19 A 2022 Choice Reviews Outstanding Academic Title Structured according to key themes Polish Cinema Today analyzes the remarkable innovations in Polish cinema emerging a decade after the 1989 dissolution of the Soviet bloc once its film industry had evolved from a socialist state enterprise into a much more accessible system of film production with growing expertise in distribution and marketing By the early 2000s an impressive diverse cohort of filmmakers broke through the gridlock of a small set of esteemed aging

auteurs as well as the glut of imported Hollywood blockbusters empowered by the digital revolution and domestic audience appetite for independent work Polish directors today challenge sacrosanct bromides about national and gender identity Poland's historical martyrdom the status of the influential Catholic Church and the benevolent family while investigating the phenomena of migration and sexuality in their full complexity Each thematic chapter places these recent films within a historical cultural context nationally and transnationally and designs its analyses of specific works to engage general audiences of film scholars students and cinephiles Lullaby and Goodnight Dean T Hughes, 1992 *Harrison Birtwistle's Operas and Music Theatre* David Beard, 2012-10-25 A definitive source study of the stage works of Harrison Birtwistle one of Britain's foremost living composers **Teaching Palahniuk: The Treasures of Transgression in the Age of Trump and Beyond** Christopher Burlingame, 2022-05-10 While much has been written about Chuck Palahniuk and his body of work next to nothing has been written about when where and how it is necessary to teach Palahniuk This collection will reveal that teaching Palahniuk's work and the discursive dynamic of the classroom interactions create new opportunities for scholarship by both the faculty member and his or her students Despite early critical success with *Fight Club* *Invisible Monsters* and *Choke* Palahniuk's novels are increasingly dismissed for the very transgressive content that makes them essential pedagogical tools in the Age of Trump where truth isn't truth and tribalism is stoked with claims of fake news This collection aims to broaden the scholarship by examining under represented and unrepresented works from his oeuvre and situating them in the context of their pedagogical implications In both form and content the transgressive nature of Palahniuk's work demands critical thought and reflection capacities that are necessary for the preservation of a democratic society Contributors take various approaches to address what students can learn about writing literature and society by reading and analyzing Palahniuk's texts The collection will discuss the value of teaching Palahniuk innovations and various disciplinary contexts for teaching his works and reflections on some of those pedagogical opportunities Through its multi faceted discussion of Palahniuk and pedagogy this collection will legitimize efforts to bring his work onto syllabi and into the classroom where it can enhance student engagement create new avenues for inter disciplinary scholarship and re invigorate an expansion of the canon It will also provide diverse frameworks for incorporating and interpreting Palahniuk's writing across disciplines Finally the collection will offer post mortems from faculty members who have found the guts to teach Palahniuk and will offer insight into what students have gained and stand to gain from a more intensive Palahniuk pedagogy

Come the Slumberless To the Land of Nod Traci Brimhall, 2020-03-31 Written during the trial for a close friend's murder *Come the Slumberless to the Land of Nod* exposes that the whimsical horrible and absurd all sit together In this ambitious fourth collection Traci Brimhall corresponds with the urges of life and death within herself as she lives through a series of impossibilities the sentencing of her friend's murderers the birth of her child the death of her mother divorce a trip sailing through the Arctic In lullaby lyric essay and always with brutal sincerity Brimhall examines how beauty and terror live

right alongside each other much like how Nod is both a fictional dreamscape and the place where Cain is exiled for murdering Abel By plucking at the tensions between life and death love and hate truth and obscurity Brimhall finds what it is that ties opposing themes together how love and loss are married in grief Like Eve thrust from Eden Brimhall is tasked with finding meaning in a world defined by its cruelty Unrelenting incisive and tender these poems expose beauty in the grotesque and argue that the effort to be good always outweighs the desire to succumb to what is easy Detecting Women 2 Willetta L.
