

There was a day
which I went for the
local market to
purchase some goods.

One day, a oldman bumped on
me and bragged that I was
the one who bumped on him
by saying I don't look while
walking.

We kept doing that until all things and giving the same
excuse and it I realized the poor man by, then I saw the
object around which he purposely bumped to me.

We tried to give the same excuse whenever I walked
and was that I saw him creeping and the message of the
market children and he bumped not all purpose.

With this, that oldman became ashamed and never
repeated.

That's it for adults
who have bad
manners.

See you next time!
