**The Gender/sexuality Reader** Roger N. Lancaster, Micaela Di Leonardo, 1997 Textbook on gender

**Presenting America's World** Tamar Y. Rothenberg, 2016-12-05 National Geographic magazine is probably the most visible and popular expression of geography in the USA Presenting America's World presents a critical analysis of the world portrayed by National Geographic from its formative years in the nineteenth century through to 1945 It situates the National Geographic Society's development within the context of a new American overseas expansionism interrogates the magazine as America's ubiquitous source of wholesome exotica and erotica examines the ways in which it framed the world for its millions of readers and questions its participation in the cultural work of US global hegemony The book argues that National Geographic successfully employed strategies of innocence a contradictory stance of representation which simultaneously asserts innocence either the innocence of just watching or the innocence of altruistic behaviour while naturalizing Western hegemony Presenting America's World not only considers the world that National Geographic presented to its readers but also examines the magazine's own institutional world of writers photographers and editors Particular attention is paid to Gilbert H Grosvenor the magazine's editor for over 50 years Maynard Owen Williams a writer and photographer who worked on nearly 100 articles from 1919 to 1960 and Harriet Chalmers Adams a freelancer explorer and Pan American activist who contributed 21 articles

**Africa in the American Imagination** Carol Magee, 2012-04-26 In the American world the presence of African culture is sometimes fully embodied and sometimes leaves only a trace Africa in the American Imagination Popular Culture Racialized Identities and African Visual Culture explores this presence examining Mattel's world of Barbie the 1996 Sports Illustrated swimsuit issue and Disney World each of which repackages African visual culture for consumers Because these cultural icons permeate American life they represent the broader US culture and its relationship to African culture This study integrates approaches from art history and visual culture studies with those from culture race and popular culture studies to analyze this interchange Two major threads weave throughout One analyzes how the presentation of African visual culture in these popular culture forms conceptualizes Africa for the American public The other investigates the way the uses of African visual culture focuses America's own self awareness particularly around black and white racialized identities In exploring the multiple meanings that Africa has in American popular culture Africa in the American Imagination argues that these cultural products embody multiple perspectives and speak to various sociopolitical contexts the Cold War civil rights and contemporary eras of the United States the apartheid and post apartheid eras of South Africa the colonial and postcolonial eras of Ghana and the European era of African colonization

**Watching Wildlife** Cynthia Chris, 2006 Tidligere natur og dyrefilm fokuserede på dyrekernefamilien og den gode forlader Under indtryk af genrens skift til tv mediet er fokus nu rettet mod parring forskelle mellem hanner og hunner og ofte med en tvivlsom henvisning til samme m nstre hos mennesker
