Her problem was how could she be sure of what the Bible was really saying when we are so separated from the ancient Jewish culture in which it was written. As a lifelong student of Scripture, Kathie Lee Gifford has always desired a deeper understanding of God's Word and a deeper knowledge of God Himself. But it wasn't until she began studying the biblical texts in their original Hebrew and Greek, along with actually hiking the ancient paths of Israel, that she found the fulfillment of those desires. In this six-session video study DVD, video streaming, sold separately, Kathie Lee invites you to join her as she visits sites in Israel that have impacted her life. As she shares her story,
