Selections from The Girl's Own Paper, 1880-1907 Terri Doughty, 2004-05-18

The Girl s Own Paper founded in 1880 both shaped and reflected tensions between traditional domestic ideologies of the period and New Woman values in the context of the figure of the New Girl

These selections from the journal demonstrate the efforts of its publisher the Religious Tract Society to combat the negative moral influence of sensational popular literature while at the same time addressing the desires of its audience for exciting reading material and information about topics mothers could not or would not discuss

Selected fiction gives a rich sense of the conventions and the domestic ideology of the time

the nonfiction prose ranges from essays on conduct and household management to articles on new opportunities in education and work

Journey of Diversity & Inclusion In South Africa Nene Molefi, 2017-09-01

The ideas and experiences shared by author Nene Molefi speak directly to the troubling prejudices and inequities that persist in our world

Diversity and inclusion are more pressing than ever

Injustices and deep social divisions persist personally and systemically

Racism sexism homophobia and other forms of fear and hatred are not isolated

They remain embedded and they demand courageous deliberate work

In this book Nene uses her own story to cast a bright

light on the transformation journey Nene's book quite vulnerably takes the reader on Nene's personal journey. In addition to the deeply personal content, each chapter ends with practical guidelines on how to lead inclusively. Nene's book offers hope and substance in our vision of a diverse and inclusive and just society.

A Justice Edwin Cameron This is a deeply authentic personal narrative offering powerful and practical insights from one of South Africa's foremost advisors on diversity and transformation. It should be required reading for any leader who is serious about effectively transforming their organisation.

A Dr Jonathan Broomberg CEO Discovery Health A Journey of Diversity Inclusion in South Africa will enable all of us to meaningfully interpret and articulate our own biases, narratives and the contributions we can make to heal our fractured nation.

A Prof Nicola Kleyn Dean University of Pretoria's Gordon Institute of Business Science GIBS It is no longer good enough to say diversity is an asset. Leaders are expected to lead the way of inclusion, live the values and thereby define the DNA of their organisation.

A Bongani Ngwababa Joint President CEO Sasol Limited Mind opening for those yet to be convinced of the need for transformation and helpful to those who are already committed to transformation but are not sure how to play a part. This book will empower willing transformers.

A Thulani Sibeko Executive for Marketing Communications and Corporate Affairs Nedbank Nene Molefi offers a personal and professional model that will benefit anyone who wants to make a difference in this world.

A Julie O Mara President Centre for Global Inclusion Co-author Global Diversity Inclusion Benchmarks Former National President Association for Talent Development

Educational Times, 1887 *G.K.'s Weekly*, 1928

Gandhi Before India Ramachandra Guha, 2014-04-15 Here is the first volume of a magisterial biography of Mohandas Gandhi that gives us the most illuminating portrait we have had of the life, the work and the historical context of one of the most abidingly influential and controversial men in modern history. Ramachandra Guha, hailed by Time as Indian democracy's preeminent chronicler, takes us from Gandhi's birth in 1869 through his upbringing in Gujarat, his two years as a student in London and his two decades as a lawyer and community organizer in South Africa. Guha has uncovered myriad previously untapped documents, including private papers of Gandhi's contemporaries and co-workers, contemporary newspapers and court documents, the writings of Gandhi's children and secret files kept by British Empire functionaries. Using this wealth of material in an exuberant, brilliantly nuanced and detailed narrative, Guha describes the social, political and personal worlds inside of which Gandhi began the journey that would earn him the honorific Mahatma, Great Soul. And more clearly than ever before, he elucidates how Gandhi's work in South Africa, far from being a mere prelude to his accomplishments in India, was profoundly influential in his evolution as a family man, political thinker, social reformer and ultimately beloved leader. In 1893, when Gandhi set sail for South Africa, he was a twenty-three-year-old lawyer who had failed to establish himself in India. In this remarkable biography, the author makes clear the fundamental ways in which Gandhi's ideas were shaped before his return to India in 1915. It was during his years in England and South Africa, Guha shows us, that Gandhi came to understand the nature of imperialism and racism and in South Africa that he forged the philosophy and

techniques that would undermine and eventually overthrow the British Raj Gandhi Before India gives us equally vivid portraits of the man and the world he lived in a world of sharp contrasts among the coastal culture of his birthplace High Victorian London and colonial South Africa It explores in abundant detail Gandhi s experiments with dissident cults such as the Tolstoyans his friendships with radical Jews heterodox Christians and devout Muslims his enmities and rivalries and his often overlooked failures as a husband and father It tells the dramatic profoundly moving story of how Gandhi inspired the devotion of thousands of followers in South Africa as he mobilized a cross class and inter religious coalition pledged to non violence in their battle against a brutally racist regime Researched with unequaled depth and breadth and written with extraordinary grace and clarity Gandhi Before India is on every level fully commensurate with its subject It will radically alter our understanding and appreciation of twentieth century India s greatest man **The Spectator** ,1890 A weekly review of politics literature theology and art *The Students' Journal, and Hospital Gazette* ,1883 **Law Notes** ,1920

Chambers's Journal of Popular Literature, Science and Arts ,1885 **South Africa Survey** ,2009 **Old Penn** ,1907 **British Books** ,1900 *Selected Letters of Wilfred Owen* Wilfred Owen,Jane Potter,2023 This new select edition of Wilfred Owen s letters provides a fresh understanding of the poet s life in his own words Wilfred Owen s fame as one of the great war poets of the twentieth century is unsurpassed with Dulce et Decorum est possibly the defining piece of World War literature Owen s letters reveal the man behind the cultural icon human with all his foibles whose 25 years were marked by great highs and lows by emerging modernity and the violence of war Evocative lyrical and often surprisingly funny the letters act as both autobiography and companion to the famous war poems He was both an accomplished poet and one of the finest letter writers of the twentieth century Accompanied by new notes and new introduction as well as previously redacted and omitted material the new edition of Owen s Selected Letters brings together past and contemporary scholarship to provide fresh insights into Owen s character and poetic development *The Educational Times, and Journal of the College of Preceptors* ,1893 **The Boy's Own Annual** ,1888 **Education Outlook** ,1914 **T.P.'s and Cassell's Weekly** ,1923
