The 9/11 Commission Report Thomas R. Eldridge, Susan Ginsburg, Walter T. Hempel II, Janice L. Kephart, Kelly Moore, Joanne M. Accolla, The National Commission on Terrorist Attacks Upon the United States, 2018-02-05 It is perhaps obvious to state that terrorists cannot plan and carry out attacks in the United States if they are unable to enter the country Yet prior to September 11 while there were efforts to enhance border security no agency of the U S government thought of border security as a tool in the counterterrorism arsenal Indeed even after 19 hijackers demonstrated the relative ease of obtaining a U S visa and gaining admission into the United States border security still is not considered a cornerstone of national security policy We believe for reasons we discuss in the following pages that it must be made one Contents A Factual Overview of the September 11 Border Story The September 11 Travel Operation a Chronology Terrorist Entry and Embedding Tactics 1993 2001 The Redbook Terrorist Travel Tactics by Plot Al Qaeda s Organizational Structure for Travel and Travel Tactics Immigration and Border Security Evolve 1993 to 2001 The Intelligence Community The State Department The Immigration and Naturalization Service Planning and Executing Entry for the 9 11 Plot The State Department The Immigration and Naturalization Service Finding a Fair Verdict Crisis Management and Response Post September 11 The Intelligence Community The Department of State The Department of Justice Response at the Borders 9 11 9 20 2001 The Department of Homeland Security **The 9/11 Commission Report** National Commission on Terrorist Attacks upon the United States, Thomas H. Kean, Lee Hamilton, 2004-07 Final report of the National Commission on Terrorist Attacks upon the United States **The 9/11 Commission Report** National Commission O Terrorist Attacks, 2010-01-01 It has improbably been called uncommonly lucid even riveting by The New York Times and it was a finalist for the 2004 National Book Awards nonfiction honor It is a literally chilling read especially in its minute by minute description of the events of the morning of 9 11 inside the Twin Towers It is The 9 11 Commission Report which was before its publication perhaps one of the most anticipated government reports of all time and has been since an unlikely bestseller The official statement by the National Commission on Terrorist Attacks Upon the United States which was instituted in late 2002 and chaired by former New Jersey Governor Thomas Kean it details what went wrong on that day such as intelligence failures what went right the heroic response of emergency services and self organizing civilians and how to avert similar future attacks Highlighting evidence from the day from airport surveillance footage of the terrorists to phone calls from the doomed flights and offering details that have otherwise gone unheard this is an astonishing firsthand document of contemporary history While controversial in parts it has been criticized for failing to include testimony from key individuals and it completely omits any mention of the mysterious collapse of WTC 7 it is nevertheless an essential record of one of the most transformational events of modern times *Army-Navy-Air Force Register and Defense Times* ,1913 **Monthly Catalog of United States Government Publications** ,1982 **Monthly Catalogue, United States Public Documents** ,1982 **Congressional Record** United
