The Oxford History of Poetry in English Catherine Bates, Patrick Cheney, 2022-03-31 The Oxford History of Poetry in English is designed to offer a fresh multi voiced and comprehensive analysis of poetry from Anglo Saxon culture through contemporary British Irish American and Global culture including English Scottish and Welsh poetry Anglo American colonial and post colonial poetry and poetry in Canada Australia New Zealand the Caribbean India Africa Asia and other international locales The series both synthesises existing scholarship and presents cutting edge research employing a global team of expert contributors for each of the volumes Sixteenth Century British Poetry features a history of the birth moment of modern English poetry in greater detail than previous studies It examines the literary transitions institutional contexts artistic practices and literary genres within which poets compose their works Each chapter combines an orientation to its topic and a contribution to the field Specifically the volume introduces a narrative about the advent of modern English poetry from Skelton to Spenser attending to the events that underwrite the poets achievements Humanism Reformation monarchism and republicanism colonization print and manuscript theatre science and companionate marriage Featured are metre and form figuration and allusiveness and literary career as well as a wide range of poets from Wyatt Surrey and Isabella Whitney to Raleigh Drayton and Mary Herbert Major works discussed include Sidney s Astrophil and Stella Spenser s Faerie Queene Marlowe s Hero and Leander and Shakespeare s Sonnets

A Useless Man Sait Faik Abasiyanik, 2015-01-06 With all the wit and brilliance of Chekhov a distinctive collection of lyrical stories from Sait Faik Abas yan k Turkey s greatest short story writer The Guardian Sait Faik Abas yan k s fiction traces the interior lives of strangers in his native Istanbul ancient coffeehouse proprietors priests dream addled fishermen poets of the Princes Isles lovers and wandering minstrels of another time The stories in A Useless Man are shaped by Sait Faik s political autobiography his resistance to social convention the relentless pace of westernization and the ethnic cleansing of his city as he conjures the varied textures of life in Istanbul and its surrounding islands The calm surface of these stories might seem to signal deference to the new Republic s restrictions on language and culture but Abas yan k s prose is crafted deceptively with dark subversive undercurrents Reading these stories by Sait Faik feels like finding the secret doors inside of poems Rivka Galchen wrote Beautifully translated by Maureen Freely and Alexander Dawe A Useless Man is the most comprehensive collection of Sait Faik s stories in English to date

Love's Own Truths Bert Hellinger, 2001 **The Scent of Buenos Aires** Hebe Uhart, 2019-10-15 Longlisted for the PEN Translation Prize Discover 25 remarkable and incandescent short stories by one of Argentina s greatest contemporary storytellers now in English for the very first time The Scent of Buenos Aires offers the first book length English translation of Uhart s work drawing together her best vignettes of quotidian life moments at the zoo the hair salon or a cacophonous homeowners association meeting She writes in unconventional understated syntax constructing a delightfully specific perspective on life in South America These stories are marked by sharp humor and wit discreet and subtle yet filled with

eccentric and insightful characters Uhart s narrators pose endearing questions about their lives and environments one asks Bees do you know how industrious they are while another inquires Are we perhaps going to hell in a hand basket Uhart s stories are concise and filled with both dry and conversational wit and flashes of poignant insight slice of life writer Thrillist

Thresholds of Translation Marie-Alice Belle,Brenda M. Hosington,2018-07-28 This volume revisits Genette s definition of the printed book s liminal devices or paratexts as thresholds of interpretation by focussing specifically on translations produced in Britain in the early age of print 1473 1660 At a time when translation played a major role in shaping English and Scottish literary culture paratexts afforded translators and their printers a privileged space in which to advertise their activities display their social and ideological affiliations influence literary tastes and fashion Britain s representations of the cultural other Written by an international team of scholars of translation and material culture the ten essays in the volume examine the various material shapes textual forms and cultural uses of paratexts as markers and makers of cultural exchange in early modern Britain The collection will be of interest to scholars of early modern translation print and literary culture and more broadly to those studying the material and cultural aspects of text production and circulation in early modern Europe

Contemporary Chinese Novels in Translation since 1978 Yun Wu,2024-10-14 This book aims to complement the traditional focus of translation studies which has primarily centered on translating English into other languages It presents a comprehensive analysis of the reverse translation trajectory exploring the movement of Chinese literature into the core English literary domain The book aims to explore the ideological and sociological dynamics that underlie the translation of contemporary Chinese novels This is achieved through an examination of the translation selection process translation paratexts and the roles of translation agents Case studies are employed to illustrate specific linguistic literary and cultural challenges within translation It dissects the cultural and literary implications of translating genres such as women s writing science fiction and Internet literature The argument presented is that the translation of peripheral literature is indispensable in shaping global literature Beyond its literary implications the book identifies the political significance inherent in such reverse translation endeavors It suggests that the translation of Chinese literature holds notable political interest for the Chinese government which aims to reshape China s image and bolster the nation s soft power through literary translation This work will be an essential read to students and scholars of translation studies comparative literature and Chinese studies

Rehabilitation of Older People Amanda J. Squires,2013-11-11 Attitudes to rehabilitation of older people particularly in departments specializing in care of the elderly have become increasingly positive in recent years A growing number of professionals see the speciality as a necessary career experience and this needs encouragement if the professions are to be prepared for the increasing number of older people who will require help from their members The purpose of this book is to bring together the skills and experience of experts in several fields of rehabilitation to provide a primer for those needing the knowledge of how to manage the older person in whatever environment or speciality they present Readers will be able to enhance their own knowledge already gained in a variety of fields and play an immediate part in the team The information will also be of value to interested carers agencies contributing to the widened provision of service to older people and their purchasers The continuing transformation of healthcare delivery world wide resulting from changing user and provider expectations and government policies is altering approaches to and delivery of rehabilitation services These current and envisaged future changes are addressed by each discipline using the UK National Health Service as an example

England's Jews John Tolan,2023-03-07 In 1290 Jews were expelled from England and subsequently largely expunged from English historical memory Yet for two centuries they occupied important roles in medieval English society England s Jews revisits this neglected chapter of English history one whose remembrance is more important than ever today as antisemitism and other forms of racism are on the rise Historian John Tolan tells the story of the thousands of Jews who lived

in medieval England Protected by the Crown and granted the exclusive right to loan money with interest Jews financed building projects provided loans to students and bought and rented out housing Historical texts show that they shared meals and beer celebrated at weddings and sometimes even ended up in bed with Christians Yet Church authorities feared the consequences of Jewish contact with Christians and tried to limit it though to little avail Royal protection also proved to be a double edged sword when revolts broke out against the unpopular king Henry III some of the rebels in debt to Jewish creditors killed Jews and destroyed loan records Vicious rumors circulated that Jews secretly plotted against Christians and crucified Christian children All of these factors led Edward I to expel the Jews from England in 1290 Paradoxically Tolan shows thirteenth century England was both the theatre of fruitful interreligious exchange and a crucible of European antisemitism
