Maurice Halbwachs Sociologue Retrouveacute:

Maurice Halbwachs, sociologue retrouvé Marie Jaisson, Christian Baudelot, 2007 Consacrer Maurice Halbwachs ce volume interroge son œuvre à partir de questions posées par la sociologie de son temps : le suicide par charité et la pauvreté, le logement, l'intégration urbaine, l'histoire de la connaissance sociologique, l'appréhension et la mesure des faits de population ou encore les variations de la proportion des sexes à la naissance. En confrontant les analyses d'hier avec les problèmes actuels, les auteurs soulignent l'extraordinaire fécondité de ses travaux loin de relever d'une théorie générale des faits sociaux. Les outils qu'il nous a légués sont des manières de connaître et d'analyser sur la base des faits la réalité sociale de notre temps. **Maurice Halbwachs**, 2007-09-01

Maurice Halbwachs (1877-1945) reste un sociologue mal connu malgré une œuvre considérable et un effort constant de réédition de certaines de ses œuvres en France. Placé entre Émile Durkheim, fondateur de la discipline dans l'université en France, et Marcel Mauss, qui lui succéda au Collège de France, mais qui mourut après lui, il a été souvent perçu comme un durkheimien parmi d'autres.

Maurice Halbwachs Gilles Montigny, 2005 Découvrez ou redécouvrez les auteurs incontournables des sciences économiques et sociales avec la collection Les grands théoriciens. Chaque ouvrage présente de façon didactique et en une synthèse vivante la biographie d'un auteur, ses œuvres essentielles et ses concepts fondamentaux. Vous comprendrez ainsi plus facilement les théses caractéristiques mises au point par les grands théoriciens de l'économie et de la sociologie. Figure de premier plan de la sociologie française de la première moitié du XX^e siècle, Maurice Halbwachs a laissé une œuvre d'une grande richesse allant de l'étude de la morphologie sociale, celle de la psychologie collective et portant sur la consommation, les classes sociales, la mémoire des groupes et des sociétés, le suicide, la vie urbaine, la religion et la démographie. Elle contient aussi de nombreux critères méthodologiques consacrés à la quantification en sciences sociales. Pour la première fois, un ouvrage introductif accessible et synthétique en apporte un résumé critique. RHSH n°1 - Maurice Halbwachs et les sciences humaines de son temps Marie

Jaisson, 1999-2010 En consacrant un premier dossier Halbwachs, la revue est fidèle au projet pluridisciplinaire qu'elle anime. En effet, une époque où ces frontières disciplinaires sont encore peu précises et où les débats en ce sens sont particulièrement intenses, Maurice Halbwachs (1877-1945) n'a cessé de dialoguer avec des psychologues, des économistes, des historiens, des démographes et des statisticiens. Dès lors, étudier son œuvre dans son contexte, c'est éclairer parfois tout autant l'histoire de ces autres disciplines. Cela tant Halbwachs est l'un des représentants les plus importants de l'école durkheimienne de sociologie. Avec Mauss, Granet, Simiand, Lévy-Bruhl, Bouglé et quelques autres, il a fortement contribué au maintien de la sociologie dans l'université française durant l'entre-deux-guerres. Avec eux, il a galemment prolongé sans le figer l'héritage intellectuel de Durkheim à travers des recherches très importantes sur la mémoire collective, le suicide, les comportements économiques et plus largement les façons de vivre dans les différentes classes sociales. De surcroît, il n'a pas cessé de s'intéresser aux autres traditions sociologiques, en particulier aux travaux de l'école de Chicago, l'œuvre de Pareto et plus encore la sociologie allemande, on ignore généralement qu'il est le principal introducteur de Weber dans la fin des années 20. C'est l'ensemble de ces aspects de l'

histoire des sciences humaines qu'abordent les contributeurs de ce dossier Marie JAISSON Jean Christophe MARCEL Olivier MARTIN Laurent MUCCHIELLI Philippe STEINER et Christian TOPALOV *Maurice Halbwachs* Collectif, 2016-03-14 Les écrits de Maurice Halbwachs sont aujourd'hui largement redits Relire Halbwachs le mûrit tenter d'appréhender la modernité d'une œuvre magistrale c'est une telle relecture que ce livre souhaiterait contribuer Qu'il s'agisse en effet des innombrables travaux contemporains sur la mémoire de la prise en compte des dimensions matérielles des institutions et des sociétés de l'analyse de l'imbrication entre composantes psychologiques et politiques la pensée de Maurice Halbwachs conduit une interrogation majeure indissociablement anthropologique historique sociologique et politique En la situant dans son contexte historique et politique cet ouvrage entend retravailler la pensée d'Halbwachs sur la question du lien entre l'individu et le groupe sur la construction de la mémoire collective l'apprentissage et le contrôle des motions Au-delà de l'inquiétude qui se dessinait dans les interrogations et les intuitions de son œuvre les contributions rassemblées entreprennent aussi de rappeler les composantes fondamentales de la démocratie en Europe Les Cadres sociaux de la mémoire, par Maurice Halbwachs,..., 1925 **La théorie de l'homme moyen** Maurice Halbwachs, 1913 Que vaut véritablement une moyenne ce n'est pas par hasard si les penchants les propensions autant d'expressions entrées dans le vocabulaire des sciences humaines et sociales depuis plus d'un siècle et présentes aujourd'hui dans le discours quotidien Elles ont transformé d'après Adolphe Quetelet et avec le succès de la statistique morale au XIXe siècle puis en passant par la critique sociologique dont la thèse complémentaire soutenue par Maurice Halbwachs en janvier 1913 fut le point d'orgue L'ouvrage demeure connu même s'il a nourri la réflexion de Georges Canguilhem sur le normal et le pathologique C'est l'œuvre de jeunesse d'un élève de Henri Bergson familier de l'œuvre de Leibniz et surtout passionné par l'étude des faits sociaux et économiques selon la méthode sociologique d'Émile Durkheim L'ouvrage annonce l'œuvre publiée dans l'entre-deux guerres aujourd'hui reconnue comme l'une des plus importantes du XXe siècle en sociologie Tenace Halbwachs analyse le corpus queteletien et offre un magnifique document au lecteur qui pourra exercer sa réflexion critique et sa sagacité empirique Rigoureux et intuitif il indique dès 1912 certains des renouvellements les plus actuels de la sociologie les phénomènes sociaux sont complexes Halbwachs reprend le mot Henri Poincaré et il faut en passer par le raisonnement probabiliste

Unveiling the Power of Verbal Beauty: An Psychological Sojourn through **Maurice Halbwachs Sociologue Retrouveacute**

In a world inundated with monitors and the cacophony of fast conversation, the profound energy and emotional resonance of verbal artistry frequently disappear into obscurity, eclipsed by the constant onslaught of noise and distractions. However, located within the lyrical pages of **Maurice Halbwachs Sociologue Retrouveacute**, a interesting perform of literary splendor that pulses with raw thoughts, lies an memorable journey waiting to be embarked upon. Penned by a virtuoso wordsmith, that enchanting opus courses visitors on a mental odyssey, softly exposing the latent possible and profound impact stuck within the complicated web of language. Within the heart-wrenching expanse of this evocative evaluation, we can embark upon an introspective exploration of the book is main themes, dissect their charming writing design, and immerse ourselves in the indelible impression it leaves upon the depths of readers souls.
