

My School Holidays

On my school holidays, I stayed home with my mum and sister. We didn't do much as some bad things happened.

First, our dog Pepper got very sick. We took her to the vet but she died. I cried and cried. Pepper was thirteen years old. I miss her so much!

Then, my sister Emma got sick too! My mum rushed her to the hospital. The doctor looked at her tummy but couldn't find anything wrong. Emma was sent back home. After a while, she got better.

On the last day of my holidays, I read a book. It was all about horses. They are my favourite animal. I hope the next school holidays will be better a lot better.

Narratives T. Lindsay Baker, Julie Philips Baker, 1996 I never talk to nobody bout this was the response of one aged African
American when asked by a Works Project Administration field worker to share memories of his life in slavery and after
emancipation He and other ex slaves were uncomfortable with the memories of a time when black and white lives were
interwoven through human bondage Yet the WPA field workers overcame the old people's reticence and American West
scholars T Lindsay Baker and Julie P Baker have collected all the known WPA Oklahoma slave narratives in this volume for
the first time including fourteen never published before Their careful editorial notes detail what is known about the
interviewers and the process of preparing the narratives The interviews were made in the late 1930s in Oklahoma Although
many African Americans had relocated there after emancipation in 1865 some interviewees had been slaves of Cherokees
Chickasaws Choctaws or Creeks in the Indian Territory Their narratives constitute important primary sources on the
foodways agricultural practices and home life of Oklahoma Indians This definitive indexed edition will be an important
resource for Oklahoma and Southwest historians as well as those interested in the history of African Americans slavery and
Oklahoma's Five Tribes For those studying the generation of African American men and women who over a century ago
initiated black life in Oklahoma the slave narratives are a major source of collective memory **New York Teachers'**

America Penne L. Restad, 1996-12-05 The manger or Macy's Americans might well wonder which is the real shrine of
Christmas as they take part each year in a mix of churchgoing shopping and family togetherness But the history of Christmas

cannot be summed up so easily as the commercialization of a sacred day As Penne Restad reveals in this marvelous new book it has always been an ambiguous meld of sacred thoughts and worldly actions as well as a fascinating reflection of our changing society In Christmas in America Restad brilliantly captures the rise and transformation of our most universal national holiday In colonial times it was celebrated either as an utterly solemn or a wildly social event if it was celebrated at all Virginians hunted danced and feasted City dwellers flooded the streets in raucous demonstrations Puritan New Englanders denounced the whole affair Restad shows that as times changed Christmas changed and grew in popularity In the early 1800s New York served as an epicenter of the newly emerging holiday drawing on its roots as a Dutch colony St Nicholas was particularly popular in the Netherlands even after the Reformation and aided by such men as Washington Irving In 1822 another New Yorker named Clement Clarke Moore penned a poem now known as Twas the Night Before Christmas virtually inventing the modern Santa Claus Well to do townspeople displayed a German novelty the decorated fir tree in their parlors an enterprising printer discovered the money to be made from Christmas cards and a hodgepodge of year end celebrations began to coalesce around December 25 and the figure of Santa The homecoming significance of the holiday increased with the Civil War and by the end of the nineteenth century a full fledged national holiday had materialized forged out of borrowed and invented custom alike and driven by a passion for gift giving In the twentieth century Christmas seeped into every niche of our conscious and unconscious lives to become a festival of epic proportions Indeed Restad carries the story through to our own time unwrapping the messages hidden inside countless movies books and television shows revealing the inescapable presence and ambiguous meaning of Christmas in contemporary culture Filled with colorful detail and shining insight Christmas in America reveals not only much about the emergence of the holiday but also what our celebrations tell us about ourselves From drunken revelry along colonial curbstones to family rituals around the tree from Thomas Nast drawing the semiofficial portrait of St Nick to the making of the film Home Alone Restad s sparkling account offers much to amuse and ponder
