- Potential prompts for your narrative essay:
- **A childhood event.** Think of an experience when you learned something for the first time, or when you realized how important someone was for you.
- **Achieving a goal.** Think about a particularly meaningful achievement in your life. This could be something as seemingly minor as achieving a good grade on a difficult assignment, or this could be something with more long-lasting effects, like getting the job you desired or getting into the best school to which you applied.
- **A failure.** Think about a time when you did not perform as well as you had wanted. Focusing on an experience like this can result in rewarding reflections about the positive emerging from the negative.
