strengthened Notwithstanding its major achievements Russia has been facing several problems both in its domestic front and in its foreign relations Some of the major problems on the domestic front are over centralisation of power nexus between state authorities oligarchs and the bureaucracy growing menace of corruption surging political reactions by political parties and some former powerful leaders on various political issues growing social discontent issues between different ethnic groups widening economic disparities among various sections of society and regions On the external front Russia has conflicts of interest with some former Soviet republics such as Georgia Moldova Ukraine and the Baltic states Russia s relations with the US and NATO have been highly critical on political and security related issues There is a need for an objective and critical evaluation of how Russia has managed its domestic and foreign affairs after the collapse of the Soviet Union What were the successes and failures of Russia in its policies and performance with regard to the social political and economic developments in the country This book is as attempt to assess those developments *Autocar* ,2005 *Popular Science* ,2000-12 Popular Science gives our readers the information and tools to improve their technology and their world The core belief that Popular Science and our readers share The future is going to be better and science and technology are the driving forces that will help make it better *Commerce Business Daily* ,2001 *Computer Integrated Manufacturing - Proceedings Of The 3rd International Conference (In 2 Volumes)* Robert Gay,Appa Iyer Sivakumar,J Winsor,1995-07-10
