Between Heaven and Earth grew out one of Thielicke s visits to the United States in 1963 during which he travelled across the country preaching and lecturing The conversations recorded here are the fruit of his more informal discussions with smallgroups of clergy students and lay people You have disturbed our peace and upset our doubts said one pastor You have freed the fettered and bound the wandering spirits said another The questions that American Christians asked of Thielicke are direct and wide ranging concerned not only with the fundamental problems of faith but with its bearing on issues of social and political morality

Thielicke's answers though equally direct are neither simplistic nor dogmatic. His approach is refreshingly open and his conclusions emerge from a reasoned consideration of the evidence and alternative possibilities. Above all, Thielicke's answers reveal the warmth and deep concern for humanity's spiritual welfare that is at the root of his teaching and writing. **Triad Societies: The Hung-Society, or the Society of Heaven and Earth** Kingsley Bolton, Christopher Hutton, 2000.
