Foundations Building On Jesus:

Foundations One Church, Kim Rilea, Chet Boyd, Greg Hagues, Codie Haddon, Derek Amos, Meghan Camp, Michael McGough, 2014-11-12 For each one of us there is something that our lives are built on a set of beliefs that supports and holds our lives together Just like with a house each one of us builds our life on a foundation Jesus says that the quality of that foundation determines the quality of our lives I will show you what it s like when someone comes to me listens to my teaching and then follows it It is like a person building a house who digs deep and lays the foundation on solid rock When the floodwaters rise and break against that house it stands firm because it is well built Luke 6 47 48 NLT The foundation matters A foundation that is laid on solid rock is one that is built well A house that has this kind of foundation will stand against all the floodwaters Just like that house if our lives are set on a well built foundation one that s built on solid rock we will be able to stand strong The solid rock is Jesus Himself and the foundation is His teaching As we follow Him and obey we dig deep building our lives on this solid foundation And we will be able to stand What follows here are what Jesus taught us through His own life and words the prophets who prepared the way for Him and His Apostles The leaders of One Hope Church have done their best to clearly and concisely explain the most important foundational truths of the Bible in these pages We haven t said everything there is to say but we do believe that if you will carefully prayerfully and submissively live out these foundations God will help you dig deep and lay your foundation on solid rock The floodwaters will rise and break against your life but you will stand firm You will have a quiet strength knowing that you have built well as a follower of Jesus *You, Your Home and Jesus: Retracing the Foundation* Nkechi E. Ndukwe, 2013-11-13 Nkechi Ndukwe a Nigeria born writer through this book prepares those whose goal is to build a successful marriage in a step by step foundational secret She however did not leave those who are already married behind she presents terse but deep ways to enrich the marital experience An Alabaster book it teaches spouses interpersonal skills in communication and conflict resolution It teaches men and women of this age to deem marriage as sacred and as such must be intentionally nurtured to grow and blossom This is no doubt a practical guide book toward quality interactive skills for marital happiness The Framework: Building a Godly Foundation Andrew Mouzon, 2018-12-20 The Framework gives an in depth analysis of the framework and foundations that will cause your house to fall as well as reveal to you the only Framework and Foundation that is crucial to success in the world in Jesus Christ

Building on the Foundation Gabriel Folorunso, 2021-11-12 Building on the Foundation is a unique book that provides biblical principles and truth for discipleship for new followers of Jesus Christ Christian discipleship involves daily learning from the Word of God and yielding to the Holy Spirit to equip believers to become more and more like Jesus Getting it right at the outset of this faith journey will make a massive difference between a fruitful and non fruitful productive and non productive Christian Therefore this book provides an early springboard for early spiritual nurturing and personal growth

Foundations Dr. James Ross, 2010-07-10 FOUNDATIONS takes an in depth approach to the design and function of

ministry and discipleship We find in the modern Church a great need for discipleship and spiritual training Many believers who know to do good struggle in their daily spiritual life as they long for an expression of overcoming faith FOUNDATIONS leads the reader into a meaningful recognition of their place in Christ He is our righteousness and God s grace and goodness leads every saint into a repentant and firm faith There are two kinds of knowledge spoken of in the Bible which are information and application Information is knowledge that puffs up 1 Corinthians 8 1 due to the potential it has to lure people into believing that the more information they have about the Bible the more mature they are Hosea speaks about the second type of knowledge when he wrote My people are destroyed for lack of knowledge He was expressing our need for the application of God s word that is necessary for the salvation of our souls and the impartation of Christ likeness every Christ needs The application of spiritual truth is the key to an overcoming faith and a renewed mind Because of this FOUNDATIONS offers a functional approach to Discipleship and spiritual training which develops the believer s ability to stand firm in the faith they profess With this in mind Solomon asked God for an understanding heart i e a hearing heart 1 Kings 3 9 because he understood that in order for anyone to be inclined toward wisdom they had to first hear God FOUNDATIONS is designed to help the believer mature in their faith by expanding their ability to renew their mind while they develop an understanding heart so they can learn to hear the Holy Spirit in a clarifying way Every saint must mature in their ability to hear God as they read the Bible and listen to the Holy Spirit and this is more readily accomplished through the discipleship process and through spiritual growth FOUNDATIONS is an exegetical study that was compiled over twenty eight years of pastoral and ministry experience It is a study of the Scripture that dives deeply into the ways of God as it also expounds on many of the principles practices and doctrines found in the Scriptures FOUNDATIONS is a practical tool for the serious disciple and an aid for every Church leader

Five Foundations of Human Development Errol A. Gibbs, Philip A. Grey, 2011-06-08 Five Foundations of Human Development FFHD is a philosophical religious and practical discourse on human development based on the following five foundations Spiritual Moral Social Intellectual and Physical The authors proffer that human beings possess the capacity to rise to a higher state of civilization when we allow Spiritual Intelligence to underpin human intelligence as our capable guide The indomitable spirit within human beings that brought civilization out of the Dark Ages and into an Age of Enlightenment demonstrates our capacity to transcend moral hope and optimism for a better world with peaceful coexistence among individuals families and nations This book will help inform enlighten and empower individuals and leaders in such fields as engineering science religion politics the military and other great institutions to engender solutions to the myriad of unsolved problems of past centuries problems of the present and emerging problems of the future Problems such as wars genocide greed and the exploitation of human beings begin within our destructive spiritual nature and manifest in the physical nature Therefore solutions also lie in the spiritual realm as a counterbalance to the natural realm of human existence FFHD is a blueprint for human survival based on adherence to physical laws and spiritual laws that

transcend a belief in an omnipotent all powerful omnipresent everywhere and omniscient all knowing being It will awaken the conscience to comprehend the lifethreatening issues that face humankind The solutions therefore cannot merely be left only to the educated elite the military forces and those in high public and private office The global significance of this book is that it informs a more communal view of our world It is the only perspective that will allow us to enter the global village prepared for the racial social cultural environmental and economic challenges that lie ahead **Revisiting the**

Nelson III, 2011-10-03 Operating in Time and Eternity means to function both in the physical and the spiritual realms It is performance and transaction within both spheres the natural and the supernatural time and eternity Time is in the natural the physical while eternity is the supernatural the spiritual Time is where the physical humanity exists and eternity is where the supernatural God the alpha and the omega exists Nothing occurs in the physical realm of our universe until it has occurred in the spiritual What we see and hear in the physical has already happened in the spiritual We are creatures of both time and eternity Each individual is a spirit being living a physical life When the human frame is removed from the spirit being the spirit goes on to live for eternity With open minds we can journey to the place where the Spirit of God leads us and be allowed to visit with God in his abode which we as Christians call Heaven We are not accidents or some mishap of nature and we are not mistakes something not meant to be we are the product of a master plan created to operate in time and eternity This is
