Four Blood Moons John Hagee:

Four Blood Moons John Hagee, 2025-05-01 There will be signs in the sun in the moon and in the stars Now when these things begin to happen look up and lift up your heads because your redemption draws near Luke 21 25a 28 It is rare that Scripture science and history align with each other yet the last three series of Four Blood Moons have done exactly that Are these the signs that God refers to in His Word If they are what do they mean What is their prophetic significance *Four Blood Moons Companion Study Guide and Journal* John Hagee, 2025-05-01

Hitchcock, 2014-03-21 Has the final countdown to the end days begun Are the heavens telling us we are nearing the end Astronomers have noticed it is coming Historians have noted its significance In 2014 and 2015 there will be a phenomenon in the skies of four blood moons falling during Jewish feasts This has only happened three times in recorded history 1493 94 1949 50 and 1967 68 Each time these dates have had extraordinary significance for the Israelites From the discovery of the

New World to the creation of modern day Israel these years of the four blood moons have truly been turning points in history Bible prophecy describes the moon being darkened and turned to blood What is the significance of these signs in the skies What will the future bring Prophecy expert Mark Hitchcock guides you through the relevant Bible passages so you can understand the times in which you live Angels and Demons John Hagee,2015-12-01 An in depth interactive companion study to John Hagee s new bestseller The Three Heavens **4 Blood Moons: Decoding the Prophecy of God** Jacob Gleam,2014-12-21 Terrible Revolution Christopher James Blythe,2020-06-17 The relationship between early Mormons and the United States was marked by anxiety and hostility heightened over the course of the nineteenth century by the assassination of Mormon leaders the Saints exile from Missouri and Illinois the military occupation of the Utah territory and the national crusade against those who practiced plural marriage Nineteenth century Latter day Saints looked forward to apocalyptic events that would unseat corrupt governments across the globe particularly the tyrannical government of the United States The infamous White Horse Prophecy referred to this coming American apocalypse as a terrible revolution in the land of America such as has never been seen before for the land will be literally left without a supreme government Mormons envisioned divine deliverance by way of plagues natural disasters foreign invasions American Indian raids slave uprisings or civil war unleashed on American cities and American people For the Saints these violent images promised a national rebirth that would vouchsafe the protections of the United States Constitution and end their oppression In Terrible Revolution Christopher James Blythe examines apocalypticism across the history of the Church of Jesus Christ of Latter day Saints particularly as it took shape in the writings and visions of the laity The responses of the church hierarchy to apocalyptic lay prophecies promoted their own form of separatist nationalism during the nineteenth century Yet after Utah obtained statehood as the church sought to assimilate to national religious norms these same leaders sought to lessen the tensions between themselves and American political and cultural powers As a result visions of a violent end to the nation became a liability to disavow and regulate Ultimately Blythe argues that the visionary world of early Mormonism with its apocalyptic emphases continued in the church s mainstream culture in modified forms but continued to maintain separatist radical forms at the level of folk belief **What to Expect for 2015 and Beyond** Anthony Starnes,2015-04-30 My original unedited suppressed prophetic manuscript entitled What to Expect for 2015 and Beyond concerns you as it constitutes your warning from God about your future For God always gives a warning before He sends judgment My written prophecy is NOT politically correct and will certainly disappoint and offend many as true prophecy always does Nor is it just a spiritual esoteric eschatology but it includes the hidden issues of the day that God wants known since they have caused America to sin more From the global warming deception that has increased unemployment to the economic fraud of recovery via bailouts socialist deficits the American Prosperity Message the fluoridation of public drinking waters GMO Foods high fructose corn syrup extra terrestrial grey aliens and illegal aliens resulting in earthquakes pestilences and famines after Obamas demonic

deception causes another mean spirited Civil War Because in Gods judgment wars come first then the destruction of America by natural causes **No Sacred Cows** David G. McAfee,Yvette d'Entremont,2017-08-22 While belief in religious supernatural claims is waning throughout the West evidence suggests belief in nonreligious supernatural claims is on the rise What explains this contradiction How can a society with a falling belief in God have a rising belief in ghosts psychic powers ancient astronauts and other supernatural or pseudo scientific phenomena Taking the same anthropological approach he employed in his notable studies of religion atheist author and activist David G McAfee turns his attention to nonreligious faith based claims Whether going undercover as a medium getting tested at Scientology headquarters in Los Angeles or interviewing celebrity paranormalists and famous skeptics he leaves no stone unturned in his investigation As in the case of religion he finds an unwillingness among believers to critically examine their most closely held convictions Only once individuals honestly assess their own sacred cows will they be able to ensure that their beliefs conform to the known facts and that our decisions as a society are based on the best available evidence Can We Still Believe in the Rapture? Mark Hitchcock,Ed Hindson,2018-01-02 Christian Fiction or Biblical Fact Today the hope that all believers on earth will be caught up to heaven is being challenged in new waves of criticism Is the rapture really taught in the Bible Can we really expect Jesus to gather up His followers before the Antichrist is revealed In this well reasoned and thorough defense prophecy authors Mark Hitchcock and Ed Hindson examine the concept context and consequences of the important and long expected event known as the rapture Discover the answers to such questions as What is the rapture and is there any historical precedent for it Why do some believers object to the idea of a rapture Does the timing of the rapture really make a difference As you explore what Scripture says about the end times you ll get a grander glimpse of your glorious future and the deepest hope of every follower of Jesus Rethinking the End of the World B. L. Cooper,2015-06-01 Since the day Jesus ascended into heaven the church has eagerly awaited his second coming And during the intervening years too many Christians have focused their study of the Bible entirely on discovering the end time signs of his coming Does Jesus expect us to focus on dates and signs or does he want us to instead develop a healthy and mature apocalyptic spirituality as we await his coming and the culmination of his plan of redemption and restoration Many of today s Christians lack a basic understanding of apocalyptic spirituality or do not understand God s mission through the church Consequently they fail to see and appropriate the rich truths that can be learned and applied to their lives today Yes Revelation is a book for today This book begins by explaining how the historic misinterpretation of end time Biblical literature has distracted Christians from their true spiritual development and mission It then explains how developing a proper apocalyptic spirituality can lead believers to healthy applications of end time teachings Discover how apocalyptic Biblical literature can help you see the redemptive work that God has in store for us today while we await his imminent return **The Making of a Disciple** Kenneth S. Todd Jr.,2015-07-27 In the Great Commission found in Matthew 28 19 20 Jesus said Go therefore and make disciples of all nations

baptizing them in the name of the Father and the Son and the Holy Spirit teaching them to observe all that I have commanded you and lo I am with you always even to the end of the age The two questions each believer must ask are What constitutes being a disciple of Jesus And am I really striving to be the disciple Jesus wants in His followers The purpose of this book is to address certain key issues that a Christian should be fully acquainted with if he or she is to be an obedient disciple and observe what Jesus commanded

To Be Honest Sarah Beth Kaufman, William G. Christ, Habiba Noor, 2022-03-15 To Be Honest is a play script and series of essays reflecting on the ways Muslims are perceived and spoken of in America With funding from a Mellon Foundation grant several professors conducted more than two hundred hours of qualitative interviews in Texas with people across religious and political spectrums Their conversations confirm expected polarizations and reveal new troubling perspectives To Be Honest is a documentary theater script born from these interviews which were used to help create monologues that give a face to the nuanced complexity of what is rarely said aloud The monologues touch on non Muslim millennials understandings of Islam racism s intersection with Islamophobia the fatigue of

activist Muslims the impact of intervention in the Middle East on U S military veterans feminist readings of the hijab the Trump presidency and more Six essays contextualize the script s underlying themes and provide material for further study In these polarizing times To Be Honest illuminates the striking reality that Americans have vastly different experiences with Islam from evangelicals who work to convert Muslims with the aim of helping them achieve peace to Muslim youth who struggle to make sense of why society dissects their religion Students scholars readers and theatergoers will come away with insights that allow them to move beyond limited views of Islam by listening to and engaging with others To Be Honest is an important script for staging and a valuable tool for dialogue across ideological perspectives **Astrology and Western**

Society from the First World War to Covid-19 William Burns,2023-10-11 This book gathers contributions on the topic of astrology in the West during the twentieth and twenty first centuries from 1914 2022 It is the first collection exclusively devoted to a period that has been mostly neglected by historians of astrology who have mostly devoted themselves to the ancient medieval and early modern periods Uninterested in vindicating or debunking astrology contributors consider its cultural impact its relation to historical events and the ways in which it has changed in the last century The broad range of subjects on modern Europe and the US include the relation of astrology with indigenous thought interwar Polish astrology and the relation of American astrologers to COVID A bibliography of studies of modern astrology on a global basis is also included This collection is a thoughtful contribution to the history of astrology and the sociology of belief as well as carrying significant implications for twentieth and twenty first century history broadly **The Messiah'S Imminent Return**

DeLinda N. Baker,2017-11-13 Throughout both the Old and New Testament there are numerous prophecies pointing to the return of the Messiah in power and glory In the early church a prevailing message was Jesus's promise to return in the clouds The knowledge that the Messiah would someday return and deliver Israel and the saints from the evils of this world has been a tremendous source of encouragement over the ages The questions have been and continue to be When will Jesus return Have the signs of his return been fulfilled Is the Messiah's return imminent In this book we will explore the scriptures that outline the signs that will precede the return of Jesus Christ in power and glory In addition to looking at scriptures on the topic we will look at current and historical events that may be significant Also we will ask how this impacts Christians and how we should respond In Matthew 25 Jesus tells a parable of a bridegroom and ten virgins The bridegroom's return was delayed so that the wedding party became drowsy and fell asleep When he returned late in the night only those who were ready went with him to the wedding feast The others were left behind As Christians we need to be ready for Jesus's return Come prepared to dig deep into scriptures and look forward to Jesus's return **In the Shadow of the Moon** Anthony

Aveni,2017-04-25 From an award winning author astronomer and anthropologist an exploration of the scientific and cultural significance of the mesmerizing cosmic display Since the first humans looked up and saw the sun swallowed by darkness our species has been captivated by solar eclipses Astronomer and anthropologist Anthony Aveni explains the history and culture

surrounding solar eclipses from prehistoric Stonehenge to Babylonian creation myths to a confirmation of Einstein's theory of general relativity to a spectacle that left New York City in the moon's shadow to future eclipses that will capture human imaginations. In one accessible and engaging read Aveni explains the science behind the phenomenon, tracks eclipses across the ancient world, and examines the roles of solar eclipses in modern times to reveal the profound effects these cosmic events have had on human history. Colored by his own experiences, Aveni has witnessed eight total solar eclipses in his lifetime; his account of astronomy's most storied phenomenon will enthrall anyone who has looked up at the sky with wonder. Aveni's authoritative but accessible text is the clearest statement of the way our perception of eclipses has changed over the centuries.

Stuart Clark, *New Scientist*: Authoritative and engaging.

Marcelo Gleiser, *NPR's 13.7*: A recommended way to share the spirit of the occasion.

Laurence A. Marshall, *Natural History Magazine*: Everything you need to enjoy a solar eclipse and even predict one just like the Babylonians did. Aveni's entertaining explorations show the very different impacts eclipses have had on past and present cultures.

David DeVorkin, *National Air and Space Museum, Smithsonian Institution*.

Popular Evangelicalism in American Culture Richard Kyle, 2017-09-18. *Popular Evangelicalism in American Culture* explores the controversies, complexities, and historical development of the evangelical movement in America and its impact on American culture. Evangelicalism is one of the most dynamic and growing religious movements in America and has been both a major force in shaping American society and likewise a group which has resisted aspects of the modern world. Organised thematically, this book demonstrates the impact of American culture on popular evangelicalism by exploring the following topics: politics, economics, salvation, millennialism, the megachurch, and electronic churches, and popular culture. This accessible and thought-provoking volume will interest anyone concerned with the modern-day success of the Evangelical movement in America.

The Other Witness Ben Behrens, 2014-12-22. The author looks at stories and passages of the Bible through mathematical equations.

Final Warning Gabriel Michaels, 2022-04-06. In his second book about the coming horrendous WWII nuclear fire war, *Final Warning WWII Part Two*, Gabriel Michaels deals with several end-time subjects. Among these are the rise of the Antichrist and the false prophet, the extensive preparations for WWII that are being done by the United States, NATO, Russia, and Russia's prophetic allies, and the end-time signs in the heavens. He also examines the question that everyone wants to know concerning the timing of Jesus's return. When I think you will be surprised by what God has shown him about this and how close we actually may be to WWII and Jesus's return at the Rapture. In easy-to-understand language, Gabriel Michaels shows that time is running out for man's rule on earth. He shows how and why Jesus truly is coming to earth soon to set up his kingdom of one thousand years. If you have already read *WWII Part One*, then once you read this book, many of your questions concerning the end times may well be answered. For the sake of you, your family, and your friends, you should know these things. We are quickly moving to a great climax in world history.
