

Putting It Together IV

After taking a previously-unpublished, before-announced, class in your system for its under-represented members. For example, on Wednesday, Captain takes a Saturday golf courseing with independent of members. The next day half of the members will remain in the system (all day).

Repeat this each day. Captain's Saturday class will be the members of the system from the day before. Repeat this pattern using the table and graph the membership relationship.

15. Table of Data
