George Orwell Biography Book:

Becoming George Orwell John Rodden, 2020-02-04 Is George Orwell the most influential writer who ever lived Yes according to Rodden s provocative book about the transformation of a man into a myth He charts the astonishing passage of a litterateur into a legend **Orwell** Richard Bradford, 2021-05-13 A vivid portrait of the man behind the writings placing Orwell and his work at the centre of the current political landscape One of the most enduringly popular and controversial writers of the twentieth century George Orwell s work is as relevant today as it was in his own lifetime Possibly in the age of Brexit Trump and populism even more so Doublethink features in *Nineteen Eighty Four* and it is the forerunner to Fake News He foresaw the creation of the EU and more significantly he predicted that post Imperial xenophobia would cause Britain to leave it His struggle with his own antisemitism could serve as a lesson to today s Labour Party and while the Soviet Union is gone China has taken its place as a totalitarian superpower Aside from his importance as a political theorist and novelist Orwell s life is fascinating in its own right Caught between uncertainty and his family s upper middle class complacency Orwell grew to despise the class system that spawned him despite finding himself unable to fully detach himself from it His life thereafter mirrored the history of his country like many from his background he devoted himself to socialism as a salve to his conscience In truth he reserved as much suspicion and distaste for the proles as he did pity He died at the point when Britain s status as an Imperial and world power had waned but his work remains both prescient and significant **George Orwell** Bernard Crick, 1992 This is the biography of the English novelist and essayist George Orwell Orwell is the author of *Down and out in Paris* *Homage to Catalonia* *The Lion and the Unicorn* and *Nineteen Eighty Four* **On Nineteen Eighty-Four** D.J. Taylor, 2019-10-22 The essential backstory to the creation and meaning of one of the most important novels of the twentieth century and now the twenty first Since its publication nearly seventy years ago George Orwell s 1984 has been regarded as one of the most influential novels of the modern age Politicians have testified to its influence on their intellectual identities rock musicians have made records about it TV viewers watch a reality show named for it and a White House spokesperson tells of alternative facts The world we live in is often described as an Orwellian one awash in inescapable surveillance and invasions of privacy *On Nineteen Eighty Four* dives deep into Orwell s life to chart his earlier writings and key moments in his youth such as his years at a boarding school whose strict and charismatic headmaster shaped the idea of Big Brother Taylor tells the story of the writing of the book taking readers to the Scottish island of Jura where Orwell newly famous thanks to *Animal Farm* but coping with personal tragedy and rapidly declining health struggled to finish 1984 Published during the cold war a term Orwell coined Taylor elucidates the environmental influences on the book Then he examines 1984 s post publication life including its role as a tool to understand our language politics and government In a climate where truth surveillance censorship and critical thinking are contentious Orwell s work is necessary Written with resonant and reflective analysis *On Nineteen Eighty Four* is both brilliant and remarkably timely Praise for *On Nineteen*

Eighty Four A lively engaging concise biography of a novel Kirkus Reviews The fascinating origins and complex legacy of this enduring masterwork are chronicled in this arresting new book BookPage Brisk and focused Taylor here covers the highlights giving both an overview of Orwell s career and a survey of his greatest literary achievement Wall Street Journal Taylor is an accomplished literary critic and he illuminates Orwell s work in the context of his life elegantly and expertly charting his course from Grub Street to bestsellerdom TheGuardian George Orwell Gordon Bowker,2004 Traces the acclaimed writer s childhood Eton education experiences as a Burma policeman deliberate entry into poverty witness to the Spanish Civil War complex relationships and contributions to literature Orwell Jeffrey Meyers,2010-10-01 This remarkable volume collects for the first time essays representing more than four decades of scholarship by one of the world s leading authorities on George Orwell In clear energetic prose that exemplifies his indefatigable attention to Orwell s life work Jeffrey Meyers analyzes the works and reception of one of the most widely read and admired twentieth century authors Orwell Life and Art covers the novelist s painful childhood and presents accounts of his autobiographical writings from the beginning of his career through the Spanish Civil War Meyers continues with analyses of Orwell s major works including Animal Farm and Nineteen Eighty Four as well as his style distinctive satiric humor and approach to the art of writing Meyers ends with a scrupulous examination of six biographies of Orwell including his own that embodies a consummate grasp and mastery of both the art of biography and Orwell s life and legacy Writing with an authority born of decades of focused scholarship visits to Orwell s homes and workplaces and interviews with his survivors Meyers sculpts a dynamic view of Orwell s enduring influence on literature art culture and politics **A Study of George Orwell** Christopher Hollis,2017-06-20 Author Christopher Hollis knew George Orwell personally during his schooldays at Eton afterwards in Burma and at the end of his life His study of Orwell s books is therefore illuminated by some anecdotes of reminiscence However it is important to note that this book is primarily a study rather than a biography Hollis examines Orwell s books in order and traces through them the development of this unmatched literary giant s thought process From the experiences described in Down and Out in Paris and London to the points in his life that began driving him toward socialism A Study of George Orwell is a comprehensive overview of Orwell s work as it related to his personal life Hollis guides the reader all the way through Orwell s oeuvre including his two most famous books Animal Farm and 1984 which are arguably the greatest literary protests of political power and tyranny ever penned Portraying Orwell as a fearless champion of the common man and a follower in the footsteps of Jonathan Swift Hollis offers a compelling review and analysis of Orwell s work as well as a perspective not found by the average distant biographer Orwell D. J. Taylor,2023-05-25 A fascinating exploration of George Orwell and his body of work by an award winning Orwellian biographer and scholar presenting the author anew to twenty first century readers We find ourselves in an era when the moment is ripe for a reevaluation of the life and the works of one of the twentieth century s greatest authors This is the first twenty first century biography on George Orwell with

special recognition to D J Taylor's stature as an award winning biographer and Orwellian Using new sources that are now available for the first time we are tantalizingly at the end of the lifespan of Orwell's last few contemporaries whose final reflections are caught in this book The way we look at a writer and his canon has changed even over the course of the last two decades there is a post millennial prism through which we must now look for such a biography to be fresh and relevant This is what Orwell The New Life achieves **Orwell** Michael Shelden,1991 Based on original interviews previously undiscovered letters and documents and astute literary detective work acclaimed biographer Shelden shows the author of

Eileen Sylvia Topp,2020-03-05 This is the never before told story of George Orwell's first wife Eileen a woman who shaped supported and even saved the life of one of the twentieth century's greatest writers In 1934 Eileen O Shaughnessy's futuristic poem End of the Century 1984 was published The next year she would meet George Orwell then known as Eric Blair at a party Now that is the kind of girl I would like to marry he remarked that night Years later Orwell would name his greatest work Nineteen Eighty Four in homage to the memory of Eileen the woman who shaped his life and his art in ways that have never been acknowledged by history until now From the time they spent in a tiny village tending goats and chickens through the Spanish Civil War to the couple's narrow escape from the destruction of their London flat during a German bombing raid and their adoption of a baby boy Eileen is the first account of the Blairs nine year marriage It is also a vivid picture of bohemianism political engagement and sexual freedom in the 1930s and 40s Through impressive depth of research illustrated throughout with photos and images from the time this captivating and inspiring biography offers a completely new perspective on Orwell himself and most importantly tells the life story of an exceptional woman who has been unjustly overlooked
