

Harcourt Social Studies Making a New Nation Grade 5 Study Guides Print-and-Copy Format

This resource may be used for students of one teacher. Please don't post this resource in a shared drive accessible by others. Thank you for respecting the time it took me to prepare materials.

These study guides are designed to help prepare students for the multiple choice portion of the chapter assessments. **NOTE:** They do not cover all the information of the complete assessments provided by Harcourt. While there is value in using the complete assessments, I created these to support just the first ten multiple choice questions in order to have an chapter review with my students.

Each study guide lists the information the child should review in order to demonstrate success on the quiz. These guides require the children to look up and write out relevant information. My students would take notes in their SB notebooks or on binder paper, I left these directions at the study guides to give you a bit more freedom in how you might want to use them.

Sample Directions

Prepare for your Social Studies chapter quiz by reviewing the information below. You don't have to memorize the entire chapter. This is what you need to know. The vocabulary words will be on your quiz and you are expected to understand their meanings independently & write down theirs for you during the test! Take notes on binder paper. You will turn it in on the day of the quiz.
