Safeguarding the Rights of Asian Migrant Workers from Home to the Workplace Asian Development Bank Institute, International Labour Organization, OECD, 2017-03-15 This report points to the growing number of labor migrants in Asia and examines the policy question of how to best safeguard their rights Governments and stakeholders in both origin and destination countries have largely recognized their mutual interest in safeguarding labor migrants Scorecard Diplomacy Judith G. Kelley, 2017-05-02 What can the international community do when countries would rather ignore a thorny problem Scorecard Diplomacy shows that despite lacking traditional force public grades are potent symbols that can evoke countries concerns about their reputations and motivate them to address the problem The book develops an unconventional but careful argument about the growing phenomenon of such ratings and rankings It supports this by examining the United States foreign policy on human trafficking using a global survey of NGOs case studies thousands of diplomatic cables media stories 90 interviews worldwide and other documents All of this is gathered together in a format that walks the reader through the mechanisms of scorecard diplomacy including an assessment of the outcomes Scorecard Diplomacy speaks both to those keen to understand the pros and cons of US policy on human trafficking and to those interested in the central question of influence in international relations The book s companion website can be found at www.scorecarddiplomacy.org The World Factbook, 2012 Women's Lives around the World Susan M.
