School of Healing Manual John Fergusson, 2018 *School of Healing and Freedom Comprehensive Training Manual for Healing and Freedom* Steve Pidd, 2020-07-26 *Healing School: Ministering and receiving healing* , **School of Healing and Freedom Basic Training Manual for Healing and Freedom** Steve Pidd, 2020-09-17 Having attended a great many conferences over the years my observation is that the modern church is largely concerned with matters such as leadership growing the numbers in your congregations or church planting There is no doubt at all that these are wonderful and necessary topics to facilitate the building of the Kingdom of God There is however very little focus on healing ministries and as a consequence the doctors are the first port of call for physical problems For many churches even large city congregations if there are mental or emotional issues the people are sent to psychiatrists or Christian counselors trained in secular techniques In contrast if we look at the Jesus model His focus was on healing the sick freeing those with demonic bondages and healing the broken hearted Apparently His disciples freely received this ministry from Christ themselves before they were commissioned to take the good news to the World Matthew 10 8 Heal the sick raise the dead cleanse those who have leprosy drive out demons Freely you

have received freely give NIV Perhaps we could look at it in this way Imagine if you were putting together a football team and selecting your players Alright I choose that man over there with one leg the blind guy that deaf fellow the man with one eye those chaps with the back braces on and those cripples Then you launched them out onto the field yelling with great enthusiasm and encouragement Go get them guys It doesn't make much sense to me but many of us have been around churches where the focus is on trying to motivate broken people to live a victorious life of faith We have all seen the fallout and problems from people with unresolved issues active in a church environment Remember the Vasa There is an old Swedish warship housed in a museum in Stockholm called by the name of Vasa She was commissioned to be built by the King of Sweden Gustavus Adolphus for use in the war with Poland Lithuania and was constructed 1626-27 Upon completion she was considered to be one of the most powerful warships in the world at the time A tremendous amount of resource was put into her and she presented with rich and ornate decorations She was loaded with large and powerful guns Unfortunately all of the expense and efforts went into her appearance and equipment for war Not enough time was spent on the design and what was done below the waterline out of sight The result was that she appeared to be a splendid dangerous and formidable enemy when in fact she was unstable in her foundation and not well ballasted Sadly only 1400 meters into her maiden voyage she encountered a gust of wind which caused the ship to capsize and sink The guns had just been fired as a grand salute to onlookers as the vessel left Stockholm The lesson for us is if we spend all of our time on presentation and how things look and neglect dealing with the sub surface problems of the church we may not ever even get into battle If we train people in leadership and develop or release gifts but don't deal with the unresolved issues in their lives are we building on sand We have found that if we focus on the people being set free the gifts and leadership come with motivation that God is pleased to bless At times I have ministered to leadership teams of larger churches and have been amazed at what is often going on in the background I thoroughly believe that healing the brokenhearted and setting the captives free was the main ministry of Jesus for a very good reason If we want to be the stable church that God is pleased to anoint we may need to consider spending a little more time on working below the water line and sorting out the areas that are not always visible **School**

Word of God for healing We have to understand where healing comes from so that we have a foundational understanding of healing in the Atonement His Word is made alive and active when we declare it through the Power of the Holy Spirit The Word releases the promises of healing for today

SESSION 3 ANOINTING THAT EMPOWERS THE WORDThe Holy Spirit is what empowers THE Word so that we don't come to the place where we just get the Word without the anointing We must have the Word with the anointing We must have the anointing with the Word They must go together The Holy Spirit provides us the wisdom anointing knowledge and love for people Without our complete dependence on Holy Spirit we are incapable releasing the Kingdom of God on earth

SESSION 4 MINISTERING HOLY SPIRITPrayer is the connection we have with the God head Jesus is ever interceding for us while we do God's work on earth We will learn how to expand our Kingdom reality with God through the power of personal communion with the Lord that directs our soaking time with Him As daily practice this will lead us to develop a presence in the secret place to know what the Father is saying and doing

SESSION 5 LEGAL SPIRITUAL AUTHORITYOur Spiritual Authority is the authority we have to exercise His work as the body of Christ The head gives the direction the body does the work God the Father is not going to come and heal the sick He's not going to come to save the lost If that were the case we wouldn't be here and he would not send Jesus to die The body does the work God has done everything He is going to do about salvation and healing There is a reason why Jesus declared It is Finished at the cross We will talk about the authority and anointing we can exercise to His work on earth

SESSION 6 ROADBLOCKS TO HEALINGThere are many questions regarding healing and people's bodies Some questions like Are we sick for the Glory of God Is healing for everyone Why am I not healed yet will be reviewed While these questions have a strong and valid point we will discuss how God's provision in the atonement have given us full access to deliverance from sin sickness and disease

Healing 1 Paul & Beth Stadler,2019-04-17 Jesus Christ made some very big statements throughout His three years of ministry He claimed to be the Son of God the Messiah of the world and the healer of all who come to Him In addition to these enormous claims He also added one that would forever change the course of history for all who believe in Him and claim Him as Lord and King He said that anyone who believes in Him will do the works He did and greater This claim is the foundation stone for this book Here you will find many principles tools and practical teaching for stepping into that reality If Jesus meant what He said then we have an incredible privilege awaiting us to join Him in releasing His love and healing to the world
