TEXTBOOK IN ENGLISH FOR CLASS VI

Honeysuckle House English Edition

Henry Francis Blanford

Honeysuckle House English Edition:

Honeysuckle House Andrea Cheng, 2009-08-01 The class is so quiet you can hear Tina's hard shoe soles on the floor. Everyone is watching us. Sisters they are thinking. Ten year old Sarah misses her best friend and neighbor Victoria terribly. She still waits for her in the backyard just in case she comes back. The last thing Sarah needs is to be paired with the new girl at school Tina who has just arrived from China. Sarah is used to being confused with other Asian students at school but she doesn't want people to assume that she and Tina have a lot in common. In fact even simple communication is hard for them. Tina's English is poor and Sarah doesn't speak a word of Chinese. Thrown together amidst a swirl of problems at home and at school Sarah and Tina are reluctant to forge a friendship. But both of them must come to terms with the changes in their lives whether they are able to overcome their differences or not. Andrea Cheng has remained true to the hearts and voices of two ten year old girls in this moving story about friendship. Told in alternating stories and in the innocent voices of two ten year old girls Honeysuckle House addresses alienation longing prejudice and cultural differences without ever losing touch with the true preoccupations of childhood.
