the Internet Likewise when Ben said that he had no idea who Nick and Jessica were and wondered why they got so much media attention but that he knew for sure that there was no harm in Americans wishing each other Merry Christmas or hanging Christmas wreaths and that as a Jew he did not feel at all offended by the celebration of Christmas his column was circulated to millions These columns have appeared in The New York Times on CBS News in The American Spectator and on E Online Here Ben has compiled them into a book of commentaries that will help you get your head on straight about what is important in our world today and what is nonsense You will feel anger joy and sadness as you read these essays and you are sure to learn something valuable from all of them *Yes, You Can Be a Successful Income Investor!* Ben Stein, Phil

Demuth, 2010-07 With the bursting of the stock market bubble and after 13 rate cuts by the Federal Reserve yields on CDs and money market funds tread at historic lows a negative return after inflation Gone are the days when investors could earn 5 percent interest risk free With smaller savings coupled with lower returns on what savings remain retirees and others living on fixed income investments watch in horror as their income checks shrink with each passing month However there are investments that still earn a significant rate of return and do so reliably and consistently These fixed income securities include bonds real estate investment trusts preferred stock emerging market debt and annuities among others They earn the kind of returns that baby boomers and the retirement community need in the same way they need to draw breath yet hardly anyone knows anything about them As 70 million Americans reach retirement age in the next 15 years fixed income investing will become a sociologically inevitable mega trend *Yes You Can Be a Successful Income Investor* shows you how you can safely secure the highest possible yield from your savings even in a treacherous investment environment *Yes, You Can Still Retire Comfortably!* Ben Stein, Phil Demuth, 2006-08-01 This is a survival manual for the difficult but exciting road to retirement security **Yes, You Can Supercharge Your Portfolio!** Ben Stein, Phil Demuth, 2009-01-01 Most investors

spend their time worrying about selecting individual stocks and mutual funds big mistake Modern Portfolio Theory developed in 1952 by economics Nobel Prize winner Harry Markowitz shows that it's more important to focus on how our securities interact as a whole Astonishingly most investors including many professionals still run their investment accounts the same way people did back when How Much Is That Doggie In the Window played on the Hit Parade It's time to apply what we've learned in financial economics over the past 50 years to bring your portfolio into the rock n roll era Armed with a computer you the investor can use sophisticated tools to analyze your holdings tools that would have been the envy of the biggest money managers only a decade ago First among these is the Monte Carlo simulator the better mousetrap that investors have been waiting for With their trademark wit Ben Stein and Phil DeMuth show you how your current portfolio is radically underdiversified costing you money They offer step by step instructions to supercharge it across a variety of investment situations to get you the best risk adjusted returns *26 Steps to Succeed in Hollywood ... Or Any Other Business* Ben Stein, 2010-07 Hollywood is a small town We don't like strangers here So said a character in F Scott Fitzgerald's classic novel

of Hollywood The Last Tycoon And its true Breaking into Hollywood and riding to success there are no easy tasks But Ben Stein and Al Burton have created a road map for succeeding in Hollywood Twenty six simple rules from there Is No Quitting Time to Keep Your Eyes on the Prize to Be Seen tell you how to make it in Tinsel town Anyone with eyes and ears and discipline can follow them and this advice applies to every other kind of lucrative difficult business as well finance politics law everything These are rules for making it in a difficult world by two men who know the rules know the pitfalls and have climbed the greasy pole to the top rung of success

**The Eyes of Faith (Large Print 16pt)** Ben Stein,2011-04 An emotion common to humankind is fear Fear dogs our days makes us lose sleep ruins our relationships and takes the joy out of living The strongest best defense against that emotion is to see through the eyes of faith As such Ben Stein brings you 500 ways to look at life in this way so that you can triumph over fear Ben absorbed many of the positive thoughts within these pages at 12 Step meetings he has attended he has applied them to his own life and he's found that they work They're simple but extremely effective For example I do not know exactly why faith and surrender work I just know that they do work Say it to yourself and believe it My life is a great place to be today I would rather be me than anyone else and that's saying something Life is about waking up breaking up shaking up making up and meditation to keep the human spirit calm There are two forms of worship worship of God and worship of ourselves Guess which kind works Taken regularly concepts such as these will make your life easier calmer and definitely more enjoyable
