How To Write A Program Manual

S Baum

How To Write A Program Manual:

How to Write Good Programs Perdita Stevens, 2020-07-23 Learning to program isn't just learning the details of a programming language to become a good programmer you have to become expert at debugging testing writing clear code and generally unsticking yourself when you get stuck while to do well in a programming course you have to learn to score highly in coursework and exams Featuring tips stories and explanations of key terms this book teaches these skills explicitly Examples in Python Java and Haskell are included helping you to gain transferable programming skills whichever language you are learning Intended for students in Higher or Further Education studying early programming courses it will help you succeed in and get the most out of your course and support you in developing the software engineering habits that lead to good programs

The Author Training Manual Nina Amir, 2014-03-18 If you want to write a book that's going to sell to both publishers and readers you need to know how to produce a marketable work and help it become successful It starts the moment you have an idea That's when you begin thinking about the first elements of the business plan that will make your project the best it can be The reality is that you don't want to spend time and energy writing a book that will never get read The way to avoid that is to create a business plan for your book and evaluate it and yourself through the same lens that an agent or acquisitions editor would The Author Training Manual will show you how to get more creative and start looking at your work with those high standards in mind Whether you're writing fiction or non-fiction or intend to publish traditionally or self-publish author Nina Amir will teach you how to conduct an effective competitive analysis for your work and do a better job at delivering the goods to readers than similar books that are already on the shelf Packed with step by step instructions idea evaluations sample business plans editor and agent commentaries and much more The Author Training Manual provides the information you need to transform from aspiring writer to career author
